FIRE PREVENTION OFFICER

Castle Rock Fire Department

The Castle Rock Fire Department's vision is to be the best at providing emergency and prevention services. The Castle Rock Fire Department has an outstanding opportunity for a Fire Prevention Officer. Under general direction of the Deputy Fire Marshal (DFM) this position performs fire-related, accident, and employment background investigations, coordinates and performs building construction and fire protection system plan reviews. Work also includes interpreting international codes and standards and providing public education and emergency preparedness within the business community. During the absence of the Fire Marshal and the Deputy Fire Marshal, this position may be required to act as the Deputy Fire Marshal. Performs duties in a manner consistent with the mission, vision and values of the Town and Department.

Qualifications generally include:

Generally, a High school diploma or GED with:

Two years minimum experience in:
- Fire Investigation
- Plan Review

Plus, One year minimum experience or any combination in:
- Life Safety Building Inspection
- Public Education
