

WORKING GROUP MINUTES
September 14, 2023

In attendance: Chris, Raj, Sandi, Judge Brady, Kelly Kissel, Alexis

1. The attorney and party surveys were sent to Juliann but have not yet been published. Neither Raj nor Chris have seen CBA send those out.
2. The Financial and Mental Health surveys were sent to those who will distribute
3. The members of the Task Force are willing to distribute the Party surveys. Once we receive Juliann's links we can disseminate to groups. Judge Brady will send to CLS, Chris to MVL, JAMLAC and Violence Free Colorado. Any other groups identified let Chris know.
4. Discussion regarding the Focus Groups. In person and by zoom. No more than 2 hours; offer times should be lunch hour and after hours. Chris will have Alexis circulate possible dates to see if who can "staff" them. There needs to be state-wide meetings so Chris will try to identify areas in common, i.e., rural vs. metro area, to hold the focus group in.
5. Chris has reached out to AAML for their information.
6. Sandi is working on going through the Certified Financial Training Agenda and will work on grouping the trainings, i.e., simple financial, more complex, what new Judges need to know immediately, etc.
5. There is no Thursday meeting this week (September 21).
6. **Homework:** Alexis is re-sending the 9/5/23 email regarding the Data that was provided per the statute. Please review and be ready to discuss this on the 9/26/23 meeting at noon.
