

## 2019 Law Enforcement Assistance Grant Program Special Conditions

1. Grantee may only use grant funds for items listed in the approved budget. These items are restricted to the operations and investigation, training and education, equipment and supplies, joint law enforcement and public safety operation, support of community-based programs, or any other purpose that would have been permissible under federal equitable sharing guidelines.
2. Grant money may be used only to supplement and not supplant money received from the seizing agency from other sources.
