The Colorado Division of Fire Prevention and Control is currently seeking applicants for the 2020 wildland fire season. These are temporary positions and are not part of the Colorado "State Classified" employee system. Temporary Aide positions do not receive any benefits. Length of employment may be amended by DFPC to meet the needs of the State. Temporary employees receive overtime after 40 hours in a week.

Temporary Aide Firefighters operate as part of a team who's main purpose is to reduce the threat of wildland fire within Colorado through mitigation and suppression activities during the normal fire season period.

Top applicants will be granted an interview. Successful interviewees must complete a criminal background check, polygraph, drug screen and medical/physical evaluation before an offer of employment can be made. The State of Colorado is an Equal Opportunity Employer.

Wildland Firefighters are subject to hazardous environments and will work long hours for multiple days straight and can spend extended time away from home.

DFPC resources primarily operate within Colorado, but may be sent to other states if needed.

This position is for a Helicopter Crew Member in Cañon City. Although the primary assignment is on an helicopter, employees may also be assigned to work on hand crews, engines and other resources as needed. Resources and employees may be assigned away from the home base location for extended periods to meet the needs of the State.

Interested persons must apply utilizing the DFPC Temporary Aide Application. Additional materials may be submitted along with the application. It is preferred that application materials be submitted by electronically.
