

The Frederick-Firestone Fire District is seeking highly-motivated individuals to serve as our next ...

# EMT/FIREFIGHTER

Application period closes June 1, 2020

## About Frederick-Firestone Fire District

Frederick-Firestone Fire District is an "All-Hazards" emergency response agency that also provides ALS transport services to the towns of Frederick and Firestone, Colorado. The District currently provides 24/7 coverage to a 36 square mile response area including I-25, HWY 119, HWY52 and serve a population of approximately 36,000 residents. FFFPD is a progressive fire district that has current ISO-2 rating. The District currently employs 64 uniformed and civilian personnel. Each of the District's four stations are staffed 24/7 with Firefighter/EMTs and Paramedics. All line-staff work a 48/96 schedule. Apply today to join our fast-growing organization and help to make a difference in someone else's life.

## Employment Opportunity:

The Frederick-Firestone Fire District is currently creating a hiring list to fill multiple current and future EMT/Firefighter positions that will occur throughout the 2020 Fiscal Year. The salary range is \$65,327-\$80,327. Salary range does not include extensive benefit package below.

## Benefits:

- Education Tuition Reimbursement
