APPLICATIONS WILL BE ACCEPTED UNTIL APRIL 20, 2019

Seasonal Position from May 1 – November 1

ESSENTIAL DUTIES:

- Performs firefighting activities including driving fire apparatus, operating pumps and related equipment, laying hose, and performing fire suppression, containment and extinguishment tasks.
- Works under the general supervision of the Wildland Coordinator, TFLD, and/or the Wildland Shift Coordinator. Under the direct command of the District Chief.
- Serves as a wildland firefighter on a wildland fire engine.
- Works both independently and as a crew to perform engine operational duties in the suppression of wildland fires and prescribed fires.
- Drives engines to fire locations while considering the safety of crew and equipment, and how the equipment can be best used for control and mop-up operations.

- Performs and may direct others in starting fire pump, priming pump, adjusting engine speed and pump valves, laying hose, and using appropriate nozzles and nozzle adjustment for effective use of water and additives.
- Has knowledge of maintaining specialized equipment used to respond to wildland urban interface situations.
- Qualified individuals may serve as Incident Commander on initial attack.
- May serve in a hand crew capacity to construct fire line with hand tools and power tools.
- Maintain fire equipment, apparatus, and facilities. Performs minor repairs to department equipment, apparatus, and equipment.
- Performs fuel reduction activities and/or other wildland fire mitigation projects.
- Excellent customer service skills, establishes and maintains effective working relationships with other employees, officials, and all members of the general public.
- Must maintain NWCG Wildland Red Card Certification.
- Attends classes in firefighting, emergency medical services, hazardous materials, technical rescue, wildland firefighting and related subjects.
- Receives and relays fire calls and alarms. Operates personal computer, radio and other communication equipment.
- Presents programs to the community on safety and fire prevention topics.
- Operates a motor vehicle to assist in carrying out the business of the Fire District.
- Attendance at work is an essential function of this position including, but not limited to, 14 plus day deployments outside of the region.
- Other duties as assigned by District Chief, Wildland Coordinator, or supervisors and administration.
- Duties listed above are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to the position.

NON-ESSENTIAL DUTIES:

- May assist to coordinate or instruct other department personnel, as assigned.
- The duties listed above are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to the position.

TOOLS AND EQUIPMENT USED:

- Wildland fire suppression equipment, wildland fire apparatus, chippers, chain saws, weed eaters, fire pumps, hoses and other standard equipment, radio, pager, personal computer, phone.
