Tactical Leadership on the Fire Ground is a hands-on practical training course where participants will practice making tactical decisions while leading crews during live fire evolutions. Scenarios are designed to challenge new or experienced company officers, and firefighters working to expand their tactical leadership. The course consists of Friday morning classroom sessions followed by dry runs at the burn tower. Saturday and Sunday are live fire scenarios. Lunch included Friday and Saturday. Training ends Sunday afternoon. Cost is \$275.

This course is not intended for those who are new to the fire service and/or just received initial certification.
