

APRIL 10TH & 11TH LEADERSHIP & TACTICAL DECISION MAKING IN WILDLAND FIRE

Learn how the best leaders make the right decisions within escalating incidents. Course topics include critical decision making under stress, incident leadership, human factors, and command and control with tactical considerations. By Chief Doug Cupp & Hugh Fairfield-Smith. Cadre includes IMT Command & General Staff. Email hfairfield@gefpd.org for info and registration. Class starts at 0800 both days

WILDLAND TEAM

**Leaders are judged
by the decisions they
make**

**Hands on scenarios
with SimTable and
Sandtable**

**“It’s not what we
don’t know that gets
us hurt or killed, it’s
what we know and
don’t do” Mirowski.**

**Proven leadership
strategies for times
of chaos**
