

# Hazardous Materials Training Courses

Colorado Division of Fire Prevention & Control

2018

## HAZARDOUS MATERIALS TECHNICIAN COURSE

**2 Week Course—September 17-28, 2018**

**Suncor Energy Fire Department 6290 Colorado Blvd, Commerce City**

The goal of this 80 hour course is to bring personnel to, at a minimum, the recognized NFPA 472 Hazardous Materials Technician level. First responders at the technician level are individuals who respond to releases or potential releases for the purpose of stopping the release. They assume a more aggressive role than a first responder at the operations level in that they will approach the point of release in order to plug, patch or otherwise stop the release of a hazardous substance.

**Class Starts at 0800**
