

**Colorado Division of Fire Prevention and Control
and Arvada Fire Department are hosting:**

National Fire Academy

Hazardous Materials Incident Management (N0243)

March 4-9, 2019 0800-1700 Hrs.

Arvada Fire Protection District Training Center

6651 Indiana Street

Arvada, CO 80007

This six-day course focuses on the duties and responsibilities of the emergency response personnel who will assume the Incident Commander (IC) role in hazardous materials emergencies above the initial response and will implement a National Incident Management System (NIMS)-based Incident Command System (ICS). **This course meets the NIMS requirements for ICS-300.**

Based on the current requirements of 29 Code of Federal Regulations (CFR) 1910.120 and the applicable national standards and plans, the program follows three phases of an incident: Preplanning, Incident Operations, and Post-incident Responsibilities.

Topics include:

- Negligence and liability.
- Planning.
- NIMS ICS/Emergency Operations Center (EOC) interface.
- Training requirements.
- Emergency response plans.

The student will develop a hazard-based response using risk-based decision-making to develop an Incident Action Plan. The student's knowledge of the subject is evaluated through written tests and graded scenarios. Evening classes and projects are required.

SELECTION CRITERIA

- Emergency response personnel who may be called upon to assume the duties of the IC at hazardous materials incidents as described in 29 CFR 1910.120.
- Safety Officers as described in 29 CFR 1910.120. (See note below.)
- Departmental training officers, chief officers, company officers and regularly acting officers.
- Emergency management personnel who would interface with emergency response personnel through an EOC operation at a hazardous materials incident.

Note: While Safety Officers and training officers meet the acceptable criteria for this program, the program is not designed for technician-level personnel.

Preference will be given to applicants from Region VIII (CO, UT, ND, SD, WY, and MT).

PREREQUISITES TO ATTEND

- ICS 100 and ICS 200
- Departments must certify applicants as operations-level trained.
- Emergency management personnel must be certified by their jurisdiction as part of the EOC staff.
