Colorado Certified Burner "B" (CCBB) Introduction to Agency Burn Boss (RXB3)

This 20-24 hour course is designed to enable attendees to receive basic introductory training in the planning, design and implementation of low complexity "pile" burn projects. Topics include a fundamental review of basic wildland fire behavior, project design, smoke management, legal liability, implementation techniques and the development of site specific burn plans with risk management and project complexity as a foundation.

Private entities, upon successful completion of this course, will be able to initiate a task book certification process through the Colorado Division of Fire Prevention and Control (DFPC) as a Certified Burner Level B Trainee (CCBB). Once certified, private individuals may receive limited liability protection from the State of Colorado in the event unforeseen and undesirable events occur on a burn project.

Local, county, state and federal agency attendees, upon successful completion of this course, will be encouraged to seek a task book certification through their respective agency as a **Prescribed Fire Burn Boss Type III (RXB3)**.

Prerequisites: None for private attendees. Agency attendees must have an NWCG agency currency as FFT1 or ICT5 as well as successful completion of the Intermediate Wildland Fire Behavior (S-290) NWCG course.

Dates: October 3rd, 4th, and 5th, 2019
Times: October 3rd (1:00 – 5:00 pm); October 4th and 5th (8 am – 5 pm)
Location: Wet Mountain Fire Protection District; 215 N. 4th Street, Westcliffe, CO 81252
Cost: \$40.00

To Register:

Email Kirk Will, DFPC Unit Chief - RX Fire and Fuels at kirk.will@state.co.us

Important Note: Private entities must attend all three sessions unless they can meet the agency required prerequisites. Agency attendees, having met the prerequisite training and NWCG qualifications, will start the class at 0800 on October 4th.
