

Colorado School Safety Resource Center

Website Linking/Posting Guidelines

1. The Colorado School Safety Resource Center (CSSRC) will link to the “Linking Policy” of the Colorado.gov website via the footer on each page of the CSSRC website as a means of alerting its users to this primary linking policy for CSSRC.
2. In addition, the www.Colorado.gov/SchoolSafetyResourceCenter in its sole discretion will determine whether any external websites meet the mission and purpose of the CSSRC. The inclusion of a hypertext link to an external website is not intended as an endorsement of any product or service offered or referenced on the linked website, the organizations sponsoring said website, or any views that might be expressed or referenced in the website.
3. Those links and postings may include:
 - Connections to an agency of government or a research institution
 - All Colorado schools and their published materials
 - CSSRC training or planning collaborators or their resources including Advisory Board members’ agencies
 - Support for evidence-based programs and strategies by entities such as:
 - Center for the Study and Prevention of Violence
 - National Registry of Evidenced Based Programs/SAMSHA
 - Suicide Prevention Resource Center
 - CDC’s National Center for Injury Prevention and Control
 - National Center for Mental Health Promotion and Youth Violence Prevention
 - School emergency preparedness materials that conform to the U.S. Department of Education’s four-phase model of emergency preparedness as judged by the CSSRC
 - Resources available from the U.S. government’s Readiness in Emergency Management for Schools Technical Assistance Center. (REMS-TA)
 - Others as judged by the CSSRC to conform to the mission of the Colorado School Safety Resource Center
