Search for a course by its Course ID number.

Adolescent Development

Course ID:1064511

Adolescent Development is designed to increase the awareness of school staff on the transformation occurring in a young person's life during adolescence. During this module you will explore physical, social, emotional, and cognitive changes impacting youth.
Designed for teachers, support staff, administrators, mental health, security & parents.

Basic Mental Health Awareness for Educators

Course ID:1044561

This module is designed as an overview of the most common mental health issues facing students and appropriate classroom strategies.
Designed for: teachers, support staff, administrators, school mental health professionals, school security & parents.

Bullying Prevention & Intervention Under Colorado Law

Course ID:1034235

This module is designed as an overview of bullying and harassment in schools.
Designed for teachers, support staff, administrators, mental health, security & parents.

Crisis Planning for an Off-Campus Event

Course ID:1026872

This module is designed to review best practices in responding to an off-campus crisis that impacts your school, for example a car accident involving a student.
Designed for teachers, safety teams, administrators, mental health, security & SRO's.

Front Office Staff: School Gatekeepers

Course ID:1051152

This module is designed as an overview of the duties & responsibilities of the front office staffer; before, during, & after an event.
Designed for front office staffers, safety teams, administrators, security & SRO's.

Making Referrals to Your Threat Assessment Team

Course ID:1064493

This workshop is designed for all school staff so that they will know when it is appropriate to refer a student to the threat assessment team and to encourage staff to report. This module is not designed to train the threat assessment team members, but to enable all staff to contribute to the safety of the school.
Designed for front office staffers, safety teams, administrators, security & SRO's.

School Security Personnel: Professional Conduct & Ethics

Course ID:1051407

This module is designed as an overview of school security conduct & ethics.
Designed for non-sworn security personnel and any other interested school personnel.

Sexting: What you Need to Know

Course ID:1077649 New August 2018

Sexting: What You Need to Know, is designed as a tool for use by the courts and schools to help juveniles understand the elements of healthy relationships and avoid the serious legal, academic, financial, and social consequences that result from sexting conduct. Prevention educators will also find this course helpful for classroom use.

Youth Suicide Prevention

Course ID: Coming Soon!

While this course will offer a few simple, practical strategies for handling youth suicide in your school, is not intended as a comprehensive suicide intervention training. This course is designed to provide an overview of common risk factors and warning signs of youth suicide, as well as basic prevention, intervention, and postvention steps that can be taken by all school staff members to support and help protect students in their school community, and reminds staff when they need to refer students to mental health professionals.

The CSSRC provides consultations, resources, training, and technical assistance to foster safe and secure learning environments, positive school climates, and early intervention to prevent crisis situations.
