WEBINARS

❖ **NEW** Seconds to Safety: a Lockdown Preparedness Methodology

- **August 1, 2013, 10:30am CT**
- Developed by the [American Clearinghouse on Educational Facilities](#)
- With over 55 million students attending elementary and secondary schools in America today, campus administrators are seeking new ways to raise the level of safety when seconds are costly. High-profile incidents such as the tragedy of Sandy Hook have created a new driving force to emergency preparedness. Security checks for visitors, incorporated in public schools following Columbine, add a greater level of security, but more assurance is needed.
