E-UPDATE FROM CSSRC ~ You are receiving this email as a subscriber of the Colorado School Safety Resource Center's (CSSRC) listserv. E-Updates from the CSSRC will contain the most current information about the Center's activities and resources, as well as other school safety efforts throughout the state of Colorado and relevant national resources. **Please forward this to others on your email list that have an interest in supporting safe and positive schools in Colorado. They may register for this listserv on our website www.Colorado.gov/SchoolSafetyResourceCenter or www.Colorado.gov/CSSRC.**

THE DIRECTOR'S CORNER

School Emergency Management Grant from the U.S. Department of Education

The Colorado Department of Education will shortly send out an RFP soliciting applications from governmental agencies to establish regional training networks and provide coordination of EOP trainings. This RFP will be emailed directly to district superintendents, school safety directors, BOCES directors, the Charter School Institute and the Archdiocese of Denver. The Colorado School Safety Resource Center staff will serve as subject matter experts to deliver the regional trainings. Please watch for this announcement.

BASIC Prep: *Businesses Assisting Schools in Communities Prepare*

The Colorado School Safety Resource Center still has a few openings for schools and businesses to participate in the pilot project. This initiative will partner a business with a school in need of expertise and resources to assist with your school emergency planning. CSSRC staff will facilitate the work and schools are urged to apply using the simple application linked [here](#). Please call Brad Stiles if you have any questions: 303.239.4321.

On behalf of the entire staff of the Center, I want to wish you all a safe, happy and healthy holiday season, Chris

CURRENT EVENTS AND ANNOUNCEMENTS

❖ **NEW Facing History and Ourselves Upcoming Parent Engagement Event – Special Screening of *Matt Shepard is a Friend of Mine***

- **December 9, 2014 6:30pm-8:30pm**, South High School, 1700 E. Louisiana Avenue, Denver
- Hosted by [Facing History and Ourselves](#) with support from [The Gay and Lesbian Fund for Colorado](#).
- This is a special screening of the award-winning film *Matt Shepard is a Friend of Mine*, a documentary about Matthew Shepard, a 21-year-old gay man who was murdered in Laramie, Wyoming in 1998. His murder made headlines around the world and set the stage for historic anti-hate crime legislation.

- Following the screening, there will be conversations with a panel including filmmaker Michele Josue about the role that we all, especially parents, can play in shaping inclusive schools and communities.
- This event is free and open to the community but you must RSVP.
- To attend this event, register online at facinghistory.org/denverevents or call 303-316-4848 x221.

❖ **2013 Healthy Kids Colorado Survey Corrected Results Now Available**

- The 2013 Healthy Kids Colorado Survey collected self-reported health information from Colorado middle and high school students. The HKCS was administered in the Fall of 2013 to approximately 40,000 randomly-selected students from over 200 middle and high schools. The survey is administered to students in odd-numbered years with the next full administration in Fall 2015.
- HKCS is supported by [Colorado Department of Public Health and Environment \(CDPHE\)](http://colorado.gov/cdphe), [Colorado Department of Education \(CDE\)](http://colorado.gov/cde) and [Colorado Department of Human Services \(CDHS\)](http://colorado.gov/cdhs).
- The primary use of the data is to identify health priorities in order to better implement school- and community-based strategies to improve and maintain the health of youth.

❖ **National Drug Facts Week**

- **January 26 – February 1, 2015**
- Presented by the [National Institute on Drug Abuse \(NIDA\)](http://nida.nih.gov)
- First launched in 2010, National Drug Facts week encourages events that allow teens to ask questions about drug use and addiction substances and have them answered by addiction scientists or health experts. Events can be sponsored by a number of organizations, including schools, community groups, sports clubs and hospitals.
- National Drug Facts Week hopes to dispel myths about drugs that teens often hear on TV, in movies, music, on the Internet or from friends. Topics for discussion can include not only what science tells us about marijuana – that use by teens can negatively impact brain development and impair school and athletic performance – but about what science tells us about use of prescription drugs, tobacco and alcohol.
