

E-Update

August 24, 2009

WELCOME TO THE FIRST E-UPDATE FROM CSSRC. You are receiving this email as a subscriber to the Colorado School Safety Resource Center listserv, in the Colorado Department of Public Safety. E-Updates from CSSRC will be sent monthly and will contain the most current information and resources, as well as information about school safety efforts throughout the state. Please forward this to others interested in school safety, so that they may also join our email list.

NEW: CSSRC WEBSITE. We invite you to visit our new, expanded website with resources for school staff, emergency responders, community partners, and parents at <http://www.safeschools.state.co.us>. This website contains links to regularly updated resources to support school safety efforts in Colorado schools and communities.

REGISTER NOW FOR SAFE SCHOOLS TRAINING. Team registration is now open for the **Colorado Safe Schools Regional Training** -Grand Junction, Tuesday and Wednesday, **September 29-30, 2009**, 8:00 am - 4:00 pm.

This conference is co-sponsored by the Colorado School Safety Resource Center and the Center for the Study and Prevention of Violence-CU. The training is FREE for Colorado school personnel, law enforcement, behavioral health, emergency management, and others with a stake in the school safety mission in our state. The Colorado Office of the Attorney General and the Colorado School Districts Self Insurance Pool has also provided support for this conference.

The conference flyer is attached to this email and TEAM registration may NOW be completed on-line at http://ibs.colorado.edu/cspv/regional_training/index.php Individual registration begins September 1. Please visit the School Safety Resource Center website at www.safeschools.state.co.us or the Center for the Study and Prevention of Violence website at www.colorado.edu/cspv/safeschools for additional information.

SCHOOL NEEDS SURVEY. Please help us know better how to serve you and the schools in Colorado by completing the short on-line anonymous survey located on our website home page. You can also locate it by going to http://www.surveymonkey.com/s.aspx?sm=WvUwfa_2f_2fbuuhcP5FxpRpGA_3d_3d. Survey results will be compiled by October 31, 2009 to direct future training and resource needs around the state.

SAVE THE DATE. Colorado Safe Schools Regional Training - Denver. The CSSRC and CSPV will host the next prevention and school safety training conference in the Denver metro area on **February 25 and 26th, 2010**. Registration and training details coming soon, and will be viewable on our website www.safeschools.state.co.us.

H1N1 INFORMATION FOR SCHOOLS. The CSSRC website also contains links to the latest H1N1 information for schools. Website: <http://www.safeschools.state.co.us>

Please forward this email to others on your email list with an interest in supporting safe and positive schools in Colorado.
