

## The Impact of What We Do

"I feel stronger right now than I did. I was afraid to speak, or say anything. COVA always told me not to be afraid to speak up for myself. And now I speak up for myself."

Anne, Survivor of Human Trafficking

"I want to say that you are doing great, keep doing what you're doing because there are a lot of girls and guys that need help. Thank You for the life I'm living right now and the joy I'm in now."

Jose, Survivor of Human Trafficking
