# Statement of Understanding

1. I understand that the information I have submitted on this application for the Sex Offender Management Board Provider List will be used for the following purposes:

- A. To conduct criminal history checks and background investigations as necessary.
- B. To create and disseminate a provider list of treatment providers, evaluators, and/or polygraph examiners.

2. My application materials will become a public record of the Division of Criminal Justice and may be subject to open record act requests pursuant to Section 24-72-304, C.R.S.

3. Inclusion on the provider list does not constitute certification or licensure and should not be represented as such. It does not create an entitlement or guarantee that I will receive referrals. If I am approved to be on the Provider List, it means that I am eligible to be considered as a provider of evaluation, assessment, treatment, and/or behavioral monitoring services for convicted sex offenders and/or adjudicated juveniles who have committed a sexual offense, pursuant to Section 16-11.7-106, C.R.S. which states:

*“(1) The department of corrections, the judicial department, the division of criminal justice of the department of public safety, or the department of human services shall not employ or contract with and shall not allow a sex offender to employ or contract with any individual or entity to provide sex offender evaluation or treatment services pursuant to this article unless the sex offender evaluation or treatment services to be provided by such individual or entity conforms with the standards developed pursuant to Section 16-11.7-103(4) (b).”*

*(2) The board shall require any person who applies for placement on the list of persons who may provide sex offender treatment services pursuant to this article to submit a complete set of his or her fingerprints. The board shall forward any such fingerprints received pursuant to this subsection (2) to the Colorado Bureau of Investigation for use in conducting a state criminal history record check and for transmittal to the federal bureau of investigation for a national criminal history record check. The board shall use the information obtained from the state and national criminal history record check in determining whether to place the person on the approved provider list.*

4. The Sex Offender Management Board will release information to all referring agencies regarding the status of my application, my placement on the Provider List, founded complaints, removal from the Provider List or denial of my application to the Provider List.

5. In the event a complaint is filed against me, the contents of my application will be reviewed by the Sex Offender Management Board in accordance with the Sex Offender Management Board Administrative Policies.

6. I have read the *Standards and Guidelines for the Assessment, Evaluation, Treatment and Behavioral Monitoring of Adult Sex Offenders* and/or the *Standards and Guidelines for the Evaluation, Assessment, Treatment, and Supervision of Juveniles Who Have Committed Sexual Offenses* in its entirety, and agree to carry out the *Standards* to the best of my ability related to the listing and level for which I am applying. I have answered all questions on this application honestly and the answers are complete to the best of my knowledge. I further understand that false statements or misstatements on this application are grounds for removal from the SOMB Provider Lists.

7. You **must** notify the SOMB, in writing, within two weeks, of any changes to your name, address, telephone number, program name, program materials, clinical supervisor (*submit a revised supervision agreement if your supervisor changes*) or if you have added an additional treatment location. This should be done as soon as possible to avoid administrative problems and ensure accurate placement on the approved provider list. If the staff of the SOMB cannot locate you or reach you, your name will be removed from the approved provider list.

# Specialized Training

*This form is required for all applicants.*

- Training attendance will be considered for the past **five (5)** years. Please reference section 4.000 regarding specific training requirements.
- Specialized training is important to obtain since there is currently no graduate curriculum specialty area of sex offender treatment. Although you may have received excellent clinical supervision, you **may not** use clinical supervision as “training.”
- Generally, the length of the workshop or training equals hours of training. **FOR CONFERENCES, YOU MUST ITEMIZE EACH WORKSHOP ON A SEPARATE LINE.**
- You may count e-learning and CD/DVD trainings for **half (1/2) credit**. Actual courses or webinar trainings can count for full credit.
- If you were the trainer, you may count the training you conducted as long as it does not exceed more than half of your total hours.
- Only 25% of the total required training hours can be comprised of in-house training within your agency/program.
- Please note the Competency-Based Provider Approval Model requires new three year applicants to complete an introduction to the Adult and Juvenile Standards training. All other applicants are required to attend an Adult and Juvenile Standards Booster Training. This is required for movement to full operating level and at each renewal period. Please review Section 4.000 for specific training requirements.
- **The SOMB staff may request copies of training certificates at any time and will conduct standard compliance reviews.**
