**COLORADO SEX OFFENDER MANAGEMENT BOARD  
Recommendations for Expenditures  
From the Sex Offender Surcharge Fund**

Pursuant to Section 16-11.7-103(4)(c) C.R.S., the Sex Offender Management Board “shall develop a plan for the allocation of moneys deposited in the sex offender surcharge fund created pursuant to Section 18-21-103(3) C.R.S. among the Judicial Department, the Department of Corrections, the Division of Criminal Justice of the Department of Public Safety, and the Department of Human Services.”

On August 15, 2014, the Sex Offender Management Board met and endorsed the following plan for expenditures from the limited dollars in the cash fund for Fiscal Year 2015-2016:

1. \$163,591 to the Division of Criminal Justice (DCJ) for administration and implementation of the Standards (personnel, contract, operating and POTS dollars for FTE appropriated positions amended to reflect actual base and POTS dollars). \$3,500 of these funds will be used to provide cross-system training. These dollars may be matched by grants as available.
2. \$302,029 to the Judicial Department for direct services, beginning with the funding of sex offender evaluations, assessments and polygraphs required by statute during the pre-sentence investigation.
3. \$29,311 to the Department of Corrections to be used to manage sex offender data collection, including entry of ViCAP, psychological and risk assessment test results and demographics for use in treatment planning and research (personnel, operating and POTS dollars for FTE appropriated positions).
4. \$38,250 to the Department of Human Services to be used for training and technical assistance to county departments, the Division of Youth Corrections, and the Division of Child Welfare.

The total expenditures from the fund will be \$533,181.00.

When the above needs have been satisfied, additional dollars for direct services for additional sex offender treatment, polygraphs or related services should be considered. At that time this plan will be updated.
