

**FY2010 RECOMMENDATION/FY10-D23 CONTROLLED SUBSTANCES:
DISTRIBUTION AND POSSESSION WITH INTENT TO DISTRIBUTE**

Status: Implementation Complete

Actions/Updates

2012 ACTION/IMPLEMENTATION

This recommendation was previously published in the November 2009 Commission Report with a note that the Commission was still considering modifying the list of zones to which this perimeter applies. After further discussion, no other modifications to C.R.S. 18-18-407(2)(a) were made.

Description

Limit to 100 feet the current 1,000 foot zone that pertains to the sale, distribution, and manufacture of controlled substances.
