2012 ACTION/IMPLEMENTATION

The Treatment Funding Working Group of the Drug Policy Task Force met between December 2009 and December 2010. The CCJJ Treatment Funding White Paper was created and presented in December 2010 (This white paper is available at ors.colorado.gov/ors-reports.)

Description

Identify a working group to develop funding strategies.

Agencies Responsible

Colorado Commission on Criminal and Juvenile Justice

Discussion

The Commission shall identify a working group for the purpose of developing a funding strategy to expand treatment resources. This is necessary to ensure the successful implementation of the recommendations presented here.

Footnotes

Note: This working group was created by the Commission in November 2009 and its work continues within the Drug Policy Task Force.
