HOUSE BILL 17-1308

BY REPRESENTATIVE(S) Salazar and Sias, Becker K., Coleman, Exum, Gray, Herod, Hooton, Jackson, Kennedy, Lee, Lontine, Melton, Rosenthal, Young, Duran;

CONCERNING ALLOWING INDIVIDUALIZED CONDITIONS OF PAROLE.

Be it enacted by the General Assembly of the State of Colorado:

SECTION 1. Legislative declaration. (1) The general assembly finds that:

(a) The Colorado commission on criminal and juvenile justice recently studied the parole statutes currently in place in Colorado and recommended certain changes to allow for more individualized parole supervision and more effective use of the resources currently provided for parole supervision;

(b) Current law describes a list of various conditions, many of which have multiple subconditions, that the state board of parole is required to impose on every parolee;

(c) These conditions include requirements that each parolee be tested for drugs and alcohol at specified intervals, not associate with people who have criminal records, and remain within a narrowly defined geographic area;

(d) Many of these statutorily mandated conditions of parole are not evidence-based when applied to all parolees;

(e) Parole conditions that impose substance-testing regimens, association restrictions, and strict geographic boundaries are appropriate for some but not all parolees;

(f) The imposition of unnecessary conditions of parole burdens the state's resources, presents enforcement difficulties, and can be detrimental to the recidivism prospects of individual parolees; and

(g) Individualization of parole conditions allows the state board of parole to allocate more of its limited resources to the highest-risk offenders.

(2) Now, therefore, the general assembly declares that action is required to:

(a) Eliminate the requirement that certain parole conditions apply to all parolees; and

(b) Allow the state board of parole and parole officers to determine which conditions of parole are appropriate for which parolees, in order to better leverage limited resources and address individual offenders' criminogenic needs.

SECTION 2. In Colorado Revised Statutes, 17-2-201, **amend** (5)(c)(I), (5)(f)(I)(B), (5)(f)(I)(D), (5.5)(a), and (5.5)(c)(I); and **repeal** (5)(f)(I)(F) and (5.5)(e) as follows:
