

Probation Terminations for Clients Age 18 to 25

Probation terminations for clients who were 18 to 25 at the time of their offense were provided by the Division of Probation Services. Probation types included private, regular, intensive, and Sex Offender intensive. Table 1 shows termination types by CY and age at offense. These numbers represent cases, not individuals.

For comparison purposes Table 2 contains the percent of successful terminations for adult regular and juvenile regular probation. Note that Table 1 cases overlap with cases in Table 2 and that Table 1 uses calendar year while Table 2 uses fiscal year.
