Pretrial Release Task Force

The Task Force was formed in June 2017 and developed 10 recommendations (policy and statutory), which were approved by CCJJ during 2018 and early 2019.

Six of the statutory recommendations were combined in House Bill 19-1226, which did not pass during the legislative session.

The Task Force decided to revisit the CCJJ recommendations and some of the elements of H.B. 19-1226, consider modifications to these recommendations, and explore additional topics related to pretrial work.

Pretrial Release Task Force

Three working groups have been created to address the following:

- 1) Revisit original PRTF/CCJJ recommendations and review H.B.19-1226. Explore modifications and potential improvements of previous recommendations.
- 2) Examine existing pretrial data and identify opportunities to improve information at many stages of the pretrial process.
- 3) Examine opportunities to enhance judicial engagement in pretrial reform.

Pretrial Release Task Force

Work-to-date:

The Pretrial Task Force today will present two recommendations developed by the *Data Working Group*:

- **FY20-PR#01** Implement Pretrial Measurement and Data Requirements
- **FY20-PR#02** Create a Statewide Pretrial Services Data Advisory Group

Pretrial Release Task Force

Work-to-date:

The Recommendations Review/HB19-1226 Working Group has developed recommendations that are being reviewed at the Task Force. It is anticipated that preliminary recommendations will be presented at the December 2019 Commission meeting.

Pretrial Release Task Force

Preview of upcoming recommendations:

- FY20-#03.** Require a pretrial risk assessment instrument that will assist the court in release decisions for felony, misdemeanor and traffic level offenses that do not qualify for a mandatory summons.
- FY20-#04.** Criteria for the use of pretrial risk assessment and data collection for validation and impact of an instrument.
- FY20-#05.** Expand pretrial services statewide and provide state resources for certain assessment and supervision costs with the priority given to assessment costs.

Pretrial Release Task Force

Preview of upcoming recommendations:

- FY20-#06.** Expand the use of summons to include mandatory summons, presumptive arrest, and discretionary summons...each with appropriate public safety overrides.
- FY20-#07.** Elimination of Section 18-8-212 – Violation of Bail Bond Conditions and clarification of the crime of protection order violation. Establishment of a contempt process for violation of bail bond conditions.
- FY20-#08.** Conditions of release – Limitation on overuse of conditions.

Pretrial Release Task Force
