- Review of the agenda item

Modification of CCJJ Suspension of Proceedings

Stan Hilkey, CCJJ Chair

The sole purpose of this meeting will be to seek modification of the motion passed on April 10, 2020, to “suspend CCJJ proceedings until June.” The proposed modification would allow our Legislative Subcommittee to convene and address amendments made to SB20-161 Bond Reform while the remainder of the CCJJ work remains suspended. The Legislative Subcommittee must determine if, as amended, SB20-161 remains a CCJJ bill. This modification is needed because the current motion precludes all CCJJ proceedings, including that of the Legislative Subcommittee.
