1. APPLICABILITY

The Division of Criminal Justice (DCJ) issues federal grants from two Department of Justice (DOJ) offices: the Office of Justice Programs (OJP) and the Office on Violence Against Women (OVW). All awards conditions set out below apply to both OJP and OVW funded grants, with the exception of the conditions labelled as: “Recipients of OVW grant dollars only” which only apply to OVW funded awards.

References to the DOJ apply to both OJP and OVW funded grants.

Individual awards will also include special conditions. Those additional conditions may relate to the particular statute, program, or solicitation under which the award is made; to the substance of the funded application; to the subrecipient's performance under other federal awards; to the subrecipient's legal status (e.g., as a for-profit entity); or to other pertinent considerations.

2. RECIPIENT

For the purposes of this document, the term “recipient” refers to the Legal Entity Name listed on the Division of Criminal Justice (DCJ) Grant Award Document issued to a grantee receiving federal grants funds from DCJ. The term Recipient and Grantee are used interchangeable within this Exhibit.

3. ENSURING COMPLIANCE OF SUBGRANTEES (SUBRECIPIENTS)

Grantee is responsible for notifying any subgrantee (subrecipient), issued under this grant, of all provisions herein. Grantee is responsible for monitoring any subgrantee (subrecipient) for compliance all the provisions herein.

4. GENERAL CONDITIONS

A. Requirements of the award; incorporation by reference; remedies for non-compliance or for materially false statements

The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance also is a material requirement of this award.

Failure to comply with any one or more of these award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or a certification or assurance related to conduct during the award period -- may result in the Division of Criminal Justice (DCJ) and/or Office of Justice Programs (“OJP”) or Office on Violence Against Women (“OVW”) taking appropriate action with respect to the recipient and the award. Among other things, the DCJ and/or Department of Justice “DOJ” may withhold award funds, disallow costs, or suspend or terminate the award. DCJ and DOJ, including OJP, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it

Federal Awards issued from 2020 Federal Grant Funds

the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or - unenforceable, such provision shall be deemed severable from this award.

B. Applicability of Part 200 Uniform Requirements

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by DOJ in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") apply to this award.

For more information and resources on the Part 200 Uniform Requirements as they relate to DOJ awards and subawards ("subgrants"), see the OJP website at <https://ojp.gov/funding/Part200UniformRequirements.htm>.

Record retention and access: Records pertinent to the award that the recipient (and any subrecipient ("subgrantee") at any tier) must retain -- typically for a period of 3 years from the date of submission of the final financial report (DCJ Form 1-A), unless a different retention period applies -- and to which the recipient (and any subrecipient ("subgrantee") at any tier) must provide access, include performance measurement information, in addition to the financial records, supporting documents, statistical records, and other pertinent records indicated at 2 C.F.R. 200.333.

Agency review: The Grantee also agrees that all financial records pertinent to this award, including the general accounting ledger and all supporting documents, are subject to agency review throughout the life of the award, during the close-out process, and for three years after submission of the final Financial Report (DCJ Form 1A) or as long as the records are retained, whichever is longer, pursuant to 2 C.F.R. 200.333, 200.336.

In the event that an award-related question arises from documents or other materials prepared or distributed by DOJ that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the recipient is to contact DCJ promptly for clarification.

C. Compliance with DOJ Grants Financial Guide

The recipient agrees to comply with the current edition of the DOJ Grants Financial Guide as posted on the OVW website, including any updated version that may be posted during the period of performance. References to the DOJ Grants Financial Guide are to the DOJ Grants Financial Guide as posted on the OJP website (currently, the "DOJ Grants Financial Guide" available at <https://ojp.gov/financialguide/DOJ/index.htm>), including any updated version that may be posted during the period of performance.

D. Reclassification of various statutory provisions to a new Title 34 of the United States Code

On September 1, 2017, various statutory provisions previously codified elsewhere in the U.S. Code were editorially reclassified (that is, moved and renumbered) to a new Title 34, entitled "Crime Control and Law Enforcement." The reclassification encompassed a number of statutory provisions pertinent to DOJ awards (that is, DOJ grants and cooperative agreements), including many provisions previously codified in Title 42 of the U.S. Code.

Effective as of September 1, 2017, any reference in this award document to a statutory provision that has been reclassified to the new Title 34 of the U.S. Code is to be read as a

Federal Awards issued from 2020 Federal Grant Funds

reference to that statutory provision as reclassified to Title 34. This rule of construction specifically includes references set out in award conditions, references set out in material incorporated by reference through award conditions, and references set out in other award requirements.

E. Requirements related to "de minimis" indirect cost rate

A recipient that is eligible under the Part 200 Uniform Requirements and other applicable law to use the "de minimis" indirect cost rate described in 2 C.F.R. 200.414(f), and that elects to use the "de minimis" indirect cost rate must comply with all associated requirements in the Part 200 Uniform Requirements. The "de minimis" rate may be applied only to modified total direct costs (MTDC) as defined by the Part 200 Uniform Requirements

F. Requirement to report potentially duplicative funding

If the recipient currently has other active awards of federal funds, or if the recipient receives any other award of federal funds during the period of performance for this award, the recipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the recipient must promptly notify DCJ in writing of the potential duplication, and, if so requested by DCJ, must seek a budget-modification and change-of-project to eliminate any inappropriate duplication of funding.

G. Requirements related to System for Award Management and Universal Identifier Requirements/Unique Entity Identifiers

The recipient must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <https://www.sam.gov/SAM/>. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

DCJ must comply with applicable restrictions on subawards Grantees, including restrictions on subawards to entities that do not acquire and provide (to the recipient) the unique entity identifier required for SAM registration.

The details of DCJ's obligations related to SAM and to unique entity identifiers are posted on the OJP web site at <https://ojp.gov/funding/Explore/SAM.htm> (Award condition: System for Award Management (SAM) and Universal Identifier Requirements), and are incorporated by reference here.

This condition does not apply to an award to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

H. Employment eligibility verification for hiring under the award

1. The recipient (and any subrecipient at any tier) must—
 - a. Ensure that, as part of the hiring process for any position within the United States that is or will be funded (in whole or in part) with award funds, the recipient (or

- b. Notify all persons associated with the recipient (or any subrecipient) who are or will be involved in activities under this award of both—
 - (1) this award requirement for verification of employment eligibility, and

- c. Provide training (to the extent necessary) to those persons required by this condition to be notified of the award requirement for employment eligibility verification and of the associated provisions of 8 U.S.C. 1324a(a)(1) and (2).
- d. As part of the recordkeeping for the award (including pursuant to the Part 200 Uniform Requirements), maintain records of all employment eligibility verifications pertinent to compliance with this award condition in accordance with Form I-9 record retention requirements, as well as records of all pertinent notifications and trainings.

2. Monitoring

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

3. Allowable costs

To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions designed to ensure compliance with this condition.

4. Rules of construction

For purposes of this condition, persons "who are or will be involved in activities under this award" specifically includes (without limitation) any and all recipient (or any subrecipient) officials or other staff who are or will be involved in the hiring process with respect to a position that is or will be funded (in whole or in part) with award funds.

b. Employment eligibility confirmation with E-Verify

For purposes of satisfying the requirement of this condition regarding verification of employment eligibility, the recipient (or any subrecipient) may choose to participate in, and use, E-Verify (www.everify.gov), provided an appropriate person authorized to act on behalf of the recipient (or subrecipient) uses E-Verify (and follows the proper E-Verify procedures, including in the event of a "Tentative Nonconfirmation" or a "Final Nonconfirmation") to confirm employment eligibility for each hiring for a position in the United States that is or will be funded (in whole or in part) with award funds.

Federal Awards issued from 2020 Federal Grant Funds

- c. "United States" specifically includes the District of Columbia, Puerto Rico, Guam, the Virgin Islands of the United States, and the Commonwealth of the Northern Mariana Islands.

- e. Nothing in this condition, including in paragraph 4.B., shall be understood to relieve any recipient, any subrecipient at any tier, or any person or other entity, of any obligation otherwise imposed by law, including 8 U.S.C. 1324a(a)(1) and (2).

Questions about E-Verify should be directed to DHS. For more information about E-Verify visit the E-Verify website (<https://www.e-verify.gov/>) or email E-Verify at E-Verify@dhs.gov. E-Verify employer agents can email E-Verify at E-VerifyEmployerAgent@dhs.gov.

I. Requirement to report actual or imminent breach of personally identifiable information (PII)

The recipient (and any "subrecipient" at any tier) must have written procedures in place to respond in the event of an actual or imminent "breach" (OMB M-17-12) if it (or a subrecipient)--(1) creates, collects, uses, processes, stores, maintains, disseminates, discloses, or disposes of "personally identifiable information (PII)" (2 CFR 200.79) within the scope of a DOJ grant-funded program or activity, or (2) uses or operates a "Federal information system" (OMB Circular A-130). The recipient's breach procedures must include a requirement to report actual or imminent breach of PII to DCJ no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

J. All subawards ("subgrants") and contracts must have DCJ authorization

The recipient, and any subrecipient ("subgrantee") at any tier, must receive approval from DCJ prior to issuing a subaward or a procurement contract under this award.

K. Specific post-award approval required to use a noncompetitive approach in any procurement contract

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP or OVW considers a procurement "contract" (and therefore does not consider a subaward).

L. Unreasonable restrictions on competition under the award; association with federal government

SCOPE. This condition applies with respect to any procurement of property or services that is funded (in whole or in part) by this award, whether by the recipient or by any subrecipient at any tier, and regardless of the dollar amount of the purchase or acquisition,

Federal Awards issued from 2020 Federal Grant Funds

the method of procurement, or the nature of any legal instrument used. The provisions of this condition must be among those included in any subaward (at any tier).

SCOPE. This condition applies to this award if it is indicated that a purpose of some or all of the activities to be carried out under the award (whether by the recipient, or a subrecipient at any tier) is to benefit a set of individuals under 18 years of age.

Federal Awards issued from 2020 Federal Grant Funds

The recipient, and any subrecipient at any tier, must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status.

1. Advance determination regarding suitability. The recipient (and any subrecipient at any tier) may not permit any covered individual to interact with any participating minor in the course of activities under the award, unless the recipient or subrecipient first has made a written determination of the suitability of that individual to interact with participating minors, based on current and appropriate information as described in paragraph 3.e., and taking into account the factors and considerations described in paragraph 4.
2. Updates and reexaminations
 - a. The recipient (or subrecipient) must, at least every five years, update the searches described in paragraph 3.e.1. and 2., reexamine the covered individual's suitability determination in light of those search results, and, if appropriate, modify or withdraw that determination.
 - b. The recipient also must reexamine a covered individual's suitability determination upon learning of information that reasonably may suggest unsuitability and, if appropriate, modify or withdraw that determination.
3. Definitions

Such an individual might be an employee of a recipient (or subrecipient), but also might be (for example) a consultant, contractor, employee of a contractor, trainee, volunteer, or teacher.
 - b. "Participating minor." All individuals under 18 years of age within the set of individuals described in the scope section of this condition as it appears on the award document are participating minors.
 - c. "Interaction" includes physical contact, oral and written communication, and the transmission of images and sound, and may be in person or by electronic (or similar) means. But "interaction" does not include--
 - (1) brief contact that is both unexpected by the recipient (or subrecipient) and unintentional on the part of the covered individual -- such as might occur when a postal carrier delivers mail to an administrative office.
 - (2) personally-accompanied contact -- that is, infrequent or occasional contact (for example, by someone who comes to make a presentation) in the presence of an accompanying adult, pursuant to written policies and procedures of the recipient (or subrecipient) that are designed to ensure that -- throughout the contact -- an appropriate adult who has been determined to be suitable pursuant to this condition

Federal Awards issued from 2020 Federal Grant Funds

will closely and personally accompany, and remain continuously within view and earshot of, the covered individual.

- d. "Activities under the award." Whether paid for with federal funds from the award, "matching" funds included in the approved budget for the award, or "program income" for the award as defined by the Part 200 Uniform Requirements, activities under the award include both--
 - (1) activities carried out under the award by the recipient (or subrecipient); and
 - (2) actions taken by an entity or individual pursuant to a procurement contract under the award or to a procurement contract under a subaward at any tier.
- e. "Current and appropriate information"

In addition to information resulting from checks or screening required by applicable federal, state, tribal, or local law, and/or by the recipient's (or subrecipient's) written policies and procedures, current and appropriate information includes the results of all required searches listed below, each of which must be completed no earlier than six months before the determination regarding suitability.

(1) Public sex offender and child abuse websites/registries

A search (by current name, and, if applicable, by previous name(s) or aliases), of the pertinent and reasonably- accessible federal, state, and (if applicable) local and tribal sex offender and child abuse websites/public registries, including--

- (a) the Dru Sjodin National Sex Offender Public Website (www.nsopw.gov);
 - (b) the website/public registry for each state (and/or tribe, if applicable) in which the individual lives, works, or goes to school, or has lived, worked, or gone to school at any time during the past five years; and
 - (c) the website/public registry for each state (and/or tribe, if applicable) in which the individual is expected to, or reasonably likely to, interact with a participating minor in the course of activities under the award.
- (2) Criminal history registries and similar repositories of criminal history records

For each individual at least 18 years of age who is a covered individual under this award, a fingerprint search (or, if the recipient or subrecipient documents that a fingerprint search is not legally available, a name-based search, using current and, if applicable, previous names and aliases) -- encompassing at least the time period beginning five calendar years preceding the date of the search request -- of pertinent state (and, if applicable, local and tribal) criminal history registries or similar repositories, including--

- (a) the criminal history registry for each state in which the individual lives, works, or goes to school, or has lived, worked, or gone to school at any time during the past five years; and

Federal Awards issued from 2020 Federal Grant Funds

- (b) the criminal history registry for each state in which he or she is expected to, or reasonably likely to, interact with a participating minor in the course of activities under the award.

4. Factors and considerations in determinations regarding suitability

In addition to the factors and considerations that must or may be considered under applicable federal, state, tribal, or local law, and under the recipient's (or subrecipient's) written policies and procedures, in making a determination regarding suitability, the recipient (or subrecipient) must consider the current and appropriate information described in paragraph 3.e.

In particular (unless applicable law precludes it), with respect to either an initial determination of suitability or a subsequent reexamination, the recipient (or subrecipient) may not determine that a covered individual is suitable to interact with participating minors in the course of activities under the award if the covered individual--

- a. Withholds consent to a criminal history search required by this condition;
- b. Knowingly makes (or made) a false statement that affects, or is intended to affect, any search required by this condition;
- c. Is listed as a registered sex offender on the Dru Sjodin National Sex Offender Public Website;
- d. To the knowledge of the recipient (or subrecipient), has been convicted -- whether as a felony or misdemeanor -- under federal, state, tribal, or local law of any of the following crimes (or any substantially equivalent criminal offense, regardless of the specific words by which it may be identified in law):
 - (1) sexual or physical abuse, neglect, or endangerment of an individual under the age of 18 at the time of the offense;
 - (2) rape/sexual assault, including conspiracy to commit rape/sexual assault;
 - (3) sexual exploitation, such as through child pornography or sex trafficking;
 - (4) kidnapping;
 - (5) voyeurism; or
- e. Is determined by a federal, state, tribal, or local government agency not to be suitable.

5. Administration; rule of construction

- a. The requirements of this condition are among those that must be included in any subaward (at any tier), and must be monitored. They apply as of the date of acceptance of this award, and throughout the remainder of the period of performance.
- b. The recipient is to contact the DOJ awarding agency with any questions regarding the requirements of this condition and must not allow a covered individual to interact with a participating minor until such questions are answered.

Federal Awards issued from 2020 Federal Grant Funds

- c. Award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions designed to ensure compliance with this condition, provided that such funds would not supplant non-federal funds that would otherwise be available for such costs.
- d. Nothing in this condition shall be understood to authorize or require any recipient, any subrecipient at any tier, or any person or other entity, to violate any federal, state, tribal, or local law, including any applicable civil rights or nondiscrimination law.

O. Compliance with applicable rules regarding approval, planning, and reporting of conferences, meetings, trainings, and other events

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences.

Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears in the DOJ Grants Financial Guide (currently, as section 3.10 of "Postaward Requirements" in the "DOJ Grants Financial Guide").

Recipients of OVW grant dollars only: Additional information on the pertinent to this award appears on the OVW website at <https://www.justice.gov/ovw/conference-planning>.

P. Requirement for data on performance and effectiveness under the award

The recipient must collect and maintain data that measure the performance and effectiveness of work under this award. The data must be provided to DCJ and/or DOJ in the manner (including within the timeframes) specified by DCJ in the program solicitation or other applicable written guidance. Data collection supports compliance with the Government Performance and Results Act (GPRA) and the GPRA Modernization Act of 2010, and other applicable laws.

Q. Training Guiding Principles

Any training or training materials that the recipient -- or any subrecipient ("subgrantee") at any tier -- develops or delivers with DOJ award funds must adhere to the OJP Training Guiding Principles for Grantees and Subgrantees, available at <https://ojp.gov/funding/Implement/TrainingPrinciplesForGrantees-Subgrantees.htm> , or the OVW Training Guiding Principles for Grantees and Subgrantees, available at <https://www.justice.gov/ovw/resources-and-faqs-grantees#Discretionary>.

R. Effect of failure to address audit issues

The recipient understands and agrees that the DCJ or the DOJ awarding agency (OJP or OVW, as appropriate) may withhold award funds, or may impose other related requirements, if (as determined by the DCJ or DOJ awarding agency) the recipient does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.

S. Potential imposition of additional requirements

The recipient agrees to comply with any additional requirements that may be imposed by the DCJ during the period of performance for this award, if the recipient is designated as "high-risk" for purposes of the DCJ high-risk grantee list.

T. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 42

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 42, specifically including any applicable requirements in Subpart E of 28 C.F.R. Part 42 that relate to an equal employment opportunity program.

U. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 54

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 54, which relates to nondiscrimination on the basis of sex in certain "education programs."

V. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 38

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 38 (as may be applicable from time to time), specifically including any applicable requirements regarding written notice to program beneficiaries and prospective program beneficiaries.

Currently, among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38, currently, also sets out rules and requirements that pertain to recipient and subrecipient ("subgrantee") organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to recipients and subrecipients that are faith-based or religious organizations.

The text of 28 C.F.R. Part 38 is available via the Electronic Code of Federal Regulations (currently accessible at <https://www.ecfr.gov/cgi-bin/ECFR?page=browse>), by browsing to Title 28-Judicial Administration, Chapter 1, Part 38, under e-CFR "current" data.

W. Restrictions on "lobbying" and policy development

In general, as a matter of federal law, federal funds awarded by DOJ may not be used by the grantee, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Recipients of OVW grant dollars only:

The recipient, or any subrecipient ("subgrantee") may, however, use federal funds to collaborate with and provide information to federal, state, local, tribal and territorial

Federal Awards issued from 2020 Federal Grant Funds

public officials and agencies to develop and implement policies and develop and promote state, local, or tribal legislation or model codes designed to reduce or eliminate domestic violence, dating violence, sexual assault, and stalking (as those terms are defined in 34 U.S.C. § 12291(a)) when such collaboration and provision of information is consistent with the activities otherwise authorized under this grant program.

Another federal law generally prohibits federal funds awarded by DOJ from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the recipient is to contact DCJ for guidance, and may not proceed without the express prior written approval of DCJ and the DOJ awarding agency (OJP or OVW, as appropriate).

X. Compliance with general appropriations-law restrictions on the use of federal funds (FY 2020)

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, including from various "general provisions" in the Consolidated Appropriations Act, 2020, are set out below, and are incorporated by reference here.

Background. The federal appropriations statutes that provide (among many other things) the funds that OJP awards in its grants and cooperative agreements include various restrictions on how the federal appropriated funds may be used. These restrictions, which often appear in sets of "General Provisions," typically do not relate to a particular program, or even to a particular agency such as OJP or OVW. Rather, they are wide-ranging, "cross-cutting" restrictions.

Award Condition: Each recipient of a DOJ award made with FY 2020 funds, and any subrecipient ("subgrantee") at any tier under a DOJ award made with FY 2020 funds, must comply with all applicable restrictions, as set out below.

Should a question arise as to whether a particular use of federal funds by a recipient (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the recipient is to contact DCJ for guidance, and may not proceed without the express prior written approval of DCJ and the DOJ awarding agency (OJP or OVW, as appropriate).

Federal Awards issued from 2020 Federal Grant Funds

1. Restrictions applicable to all federal funds awarded with FY 2020 funds
 - a. Publicity or propaganda. Federal funds are not legally available, and may not be used (whether directly or indirectly, including by private contractors), for publicity or propaganda purposes not authorized by the Congress.
 - b. Certain employee trainings. Federal funds are not legally available, and may not be used, for any employee training that--
 - (1) does not meet identified needs for knowledge, skills, and abilities bearing directly upon the performance of official duties;
 - (2) contains elements likely to induce high levels of emotional response or psychological stress in some participants;
 - (3) does not require prior employee notification of the content and methods to be used in the training and written end-of-course evaluation;
 - (4) contains any methods or content associated with religious or quasi-religious belief systems or "new age" belief systems as defined in Equal Employment Opportunity Commission Notice N-915.022, dated September 2, 1988; or
 - (5) is offensive to, or designed to change, participants' personal values or lifestyle outside the workplace.

Nothing in this provision prohibits, restricts, or otherwise precludes an agency from conducting training bearing directly upon the performance of official duties.

- c. Nondisclosure policies, forms, and agreements.
 - (1) General rule - Federal funds are not legally available, and may not be used, to implement or enforce any nondisclosure policy, form, or agreement, if such policy, form, or agreement does not contain the following provisions:

" These provisions are consistent with and do not supersede, conflict with, or otherwise alter the employee obligations, rights, or liabilities created by existing [federal] statute or Executive order relating to: (1) classified information; (2) communications to Congress; (3) the reporting to an Inspector General of a violation of any law, rule, or regulation, or mismanagement, a gross waste of funds, an abuse of authority, or a substantial and specific danger to public health or safety; or (4) any other whistleblower protection. The definitions, requirements, obligations, rights, sanctions, and liabilities created by controlling Executive orders and [federal] statutory provisions are incorporated into this agreement and are controlling."

Notwithstanding the above provision, a nondisclosure policy, form, or agreement that is to be executed by a person connected with the conduct of an intelligence or intelligence-related activity, other than an employee or officer of the United States Government, may contain provisions appropriate to the particular activity for which such document is to be used. Such form or agreement shall, at a minimum, require that the person will not disclose any classified information received in the course of such activity unless specifically authorized to do so by the United States Government. Such nondisclosure forms shall also make it clear that they do not

Federal Awards issued from 2020 Federal Grant Funds

bar disclosures to Congress, or to an authorized official of an executive agency or the United States Department of Justice, that are essential to reporting a substantial violation of law.

(2) Certain exceptions. Under certain circumstances, a nondisclosure agreement that does not contain the provisions set out in subsection (a) above nevertheless may continue to be implemented and enforced. Should a question arise as to whether an exception to the general rule set out in subsection (a) may be available for a particular nondisclosure agreement, the recipient is to contact DCJ for guidance, and the recipient may not use federal funds to implement, continue to implement, or enforce the nondisclosure agreement without the express prior written approval of DCJ

- d. ACORN and related organizations. Absent express prior written approval from DCJ, federal funds may not be provided to the Association of Community Organizations for Reform Now (ACORN), or any of its affiliates, subsidiaries, allied organizations, or successors.
2. Restrictions applicable only to certain federal funds under DOJ awards made in FY 2020
 - a. Nondiscrimination in programs involving students. Funds appropriated under the Department of Justice Appropriations Act, 2019, and awarded by OJP are not legally available, and may not be used, to discriminate against or denigrate the religious or moral beliefs of students who participate in programs for which financial assistance is provided from those funds, or those of their parents or legal guardians.
 - b. Blocking of pornography on computer networks. Funds appropriated under the Department of Justice Appropriations Act, 2019, and awarded by OJP are not legally available, and may not be used, to maintain or establish a computer network unless such network blocks the viewing, downloading, and exchanging of pornography.

Nothing in this provision limits the use of funds necessary for any federal, State, tribal, or local law enforcement agency or any other entity carrying out criminal investigations, prosecution, adjudication, or other law enforcement- or victim assistance-related activity.

(This provision also applies to any DOJ award of other funds appropriated under the Commerce, Justice, Science, and Related Agencies Appropriations Act, 2019.)

3. Award or incentive fees to contractors. Funds appropriated under the Department of Justice Appropriations Act, 2019, and awarded by OJP are not legally available, and may not be used, to pay award or incentive fees for contractor performance that has been judged to be below satisfactory performance or for performance that does not meet the basic requirements of a contract. (This restriction also applies to any OJP award of other funds appropriated under the Commerce, Justice, Science, and Related Agencies Appropriations Act, 2019.)
4. Use of funds in connection with abortion. Funds appropriated under the Department of Justice Appropriations Act, 2019, and awarded by OJP are not legally available, and

Federal Awards issued from 2020 Federal Grant Funds

may not be used-- (1) to pay for an abortion, except where the life of the mother would be endangered if the fetus were carried to term, or in the case of rape or incest; or (2) to require any person to perform, or facilitate in any way the performance of, any abortion.

5. "Pay-to-stay" at local jails. Funds appropriated to the Department of Justice through an annual appropriations statute and awarded by OJP are not legally available to, and may not be provided to, any local jail that runs a "pay-to-stay" program. (Monies in the Crime Victims Fund are not appropriated through an annual appropriations statute.)

Y. Reporting potential fraud, waste, and abuse, and similar misconduct

The recipient and any subrecipients ("subgrantees") must promptly refer to the DOJ Office of the Inspector General (OIG) any credible evidence that a principal, employee, agent, subrecipient, contractor, subcontractor, or other person has, in connection with funds under this award -- (1) submitted a claim that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

Potential fraud, waste, abuse, or misconduct involving or relating to funds under this award should be reported to the OIG by--(1) online submission accessible via the OIG webpage at <https://oig.justice.gov/hotline/contact-grants.htm> (select "Submit Report Online"); (2) mail directed to: U.S. Department of Justice, Office of the Inspector General, Investigations Division, ATTN: Grantee Reporting, 950 Pennsylvania Ave., NW, Washington, DC 20530; and/or (3) by facsimile directed to the DOJ OIG Investigations Division (Attn: Grantee Reporting) at (202) 616-9881 (fax).

Additional information is available from the DOJ OIG website at <http://www.usdoj.gov/oig>.

Z. Restrictions and certifications regarding non-disclosure agreements and related matters

No recipient or subrecipient ("subgrantee") under this award, or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

1. In accepting this award, the recipient —
 - a. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or

Federal Awards issued from 2020 Federal Grant Funds

- otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and
- b. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.
2. If the recipient does or is authorized under this award to make subawards ("subgrants"), procurement contracts, or both --
 - a. it represents that--
 - (1) it has determined that no other entity that the recipient's application proposes may or will receive award funds (whether through a subaward ("subgrant"), procurement contract, or subcontract under a procurement contract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and
 - (2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and
 - b. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

AA. Compliance with 41 U.S.C. 4712 (including prohibitions on reprisal; notice to employees)

The recipient (and any subrecipient at any tier) must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant.

The recipient also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

Should a question arise as to the applicability of the provisions of 41 U.S.C. 4712 to this award, the grantee is to contact the DCJ for guidance.

BB. Encouragement of policies to ban text messaging while driving

Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), DOJ encourages recipients and subrecipients ("subgrantees") to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this award, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

CC. Requirement to disclose whether recipient is designated "high risk" by a federal grant-making agency

If the recipient is designated "high risk" by a federal grant-making agency, currently or at any time during the course of the period of performance under this award, the recipient must disclose that fact and certain related information to DCJ. For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the recipient's past performance, or other programmatic or financial concerns with the recipient. The recipient's disclosure must include the following: 1. The federal awarding agency that currently designates the recipient high risk, 2. The date the recipient was designated high risk, 3. The high-risk point of contact at that federal awarding agency (name, phone number, and email address), and 4. The reasons for the high-risk status, as set out by the federal awarding agency

DD. Right to examine documents

The grantee, and any subrecipient ("subgrantee") at any tier, must authorize the DCJ or DOJ awarding agency (OJP or OVW, as appropriate) and/or the Office of the Chief Financial Officer (OCFO), and its representatives, access to and the right to examine all records, books, paper, or documents related to this grant.

EE. Maintaining contact information

The grantee acknowledges that it is responsible for maintaining updated contact information in the Grants Management System (GMS). To update information in GMS for either the point of contact and/or the authorized representative, the grantee must submit a Change in Project Officials (DCJ Form 4-B).

FF. Recipient integrity and performance matters: Requirement to report information on certain civil, criminal, and administrative proceedings to SAM and FAPIIS

The recipient must comply with any and all applicable requirements regarding reporting of information on civil, criminal, and administrative proceedings connected with (or connected to the performance of) either this DOJ award or any other grant, cooperative agreement, or procurement contract from the federal government. Under certain circumstances, recipients of DOJ awards are required to report information about such proceedings, through the federal System for Award Management (known as "SAM"), to the designated federal integrity and performance system (currently, "FAPIIS").

The details of recipient obligations regarding the required reporting (and updating) of information on certain civil, criminal, and administrative proceedings to the federal designated integrity and performance system (currently, "FAPIIS") within SAM are posted on the OJP web site at <https://ojp.gov/funding/FAPIIS.htm> and OVW web site at:

Federal Awards issued from 2020 Federal Grant Funds

<https://www.justice.gov/ovw/award-conditions> (Award Condition: Recipient Integrity and Performance Matters, including Recipient Reporting to FAPIIS), and are incorporated by reference here.

5. FINANCIAL REQUIREMENTS

A. Non-supplanting of State and local funds

Supplanting arises when a Recipient reduces State or local funds for an activity specifically because federal funds are available (or are expected to be available) to fund that same activity. Federal funds must be used to supplement existing State or local funds for program activities, and may not replace (that is, may not "supplant") State or local funds that have been appropriated or allocated for the same purpose. Additionally, federal funding may not replace State or local funding that is required by law.

When supplanting is prohibited, potential supplanting will be the subject of DCJ monitoring and audit. Should a question of supplanting arise, the grantee will be required to substantiate that any reduction in non-federal resources occurred for reasons other than the receipt or expected receipt of federal funds.

B. Awards in excess of \$5,000,000 - Certification related to federal taxes

A recipient of an award in excess of \$5,000,000 may be required to submit a particular certification concerning filing of federal tax returns, criminal convictions under the Internal Revenue Code, and unpaid federal tax assessments. In such cases, no award funds may be used until DCJ receives a satisfactory certification.

C. Misuse of award funds

The recipient understands and agrees that misuse of award funds may result in a range of penalties, including suspension of current and future funds, suspension or debarment from federal grants, recoupment of monies provided under an award, and civil and/or criminal penalties.

D. Limitation on use of funds to approved activities

The recipient agrees that grant funds will be used only for the purposes described in this award. The grantee must not undertake any work or activities that are not described in this award, and must not use staff, equipment, or other goods or services paid for with grant funds for such work or activities, without prior written approval from DCJ.

E. Consultant compensation rates

The recipient acknowledges that consultants paid with award funds generally may not be paid at a rate in excess of \$81.25 per hour, not to exceed \$650 per day. To exceed this specified maximum rate, recipients must submit to DCJ a detailed justification and have such justification approved by DCJ, prior to obligation or expenditure of such funds. Issuance of this award or approval of the award budget alone does not indicate approval of any consultant rate in excess of \$81.25 per hour, not to exceed \$650 per day. Although prior approval is not required for consultant rates below this specified maximum rate, recipients are required to maintain documentation to support all daily or hourly consultant rates.

F. Employee compensation

With respect to this award, federal funds may not be used to pay cash compensation (salary plus bonuses) to any employee of the award recipient at a rate that exceeds 110% of the maximum annual salary payable to a member of the federal government's Senior Executive Service (SES) at an agency with a Certified SES Performance Appraisal System for that year. (An award recipient may compensate an employee at a higher rate, provided the amount in excess of this compensation limitation is paid with non-federal funds.)

This limitation on compensation rates allowable under this award may be waived on an individual basis at the discretion of the OJP official indicated in the program announcement under which this award is made.

6. CIVIL RIGHTS REQUIREMENTS ASSOCIATED WITH DOJ AWARDS

The Office for Civil Rights (OCR), Office of Justice Programs (OJP), U.S. Department of Justice (DOJ) has been delegated the responsibility for ensuring that recipients of federal financial assistance from the OJP, and the Office on Violence Against Women (OVW) are not engaged in discrimination prohibited by law. Several federal civil rights laws, such as Title VI of the Civil Rights Act of 1964 and Title IX of the Education Amendments of 1972, require recipients of federal financial assistance to give assurances that they will comply with those laws. In addition to those civil rights laws, many grant program statutes contain nondiscrimination provisions that require compliance with them as a condition of receiving federal financial assistance. For a complete review of these civil rights laws and nondiscrimination requirements, in connection with OJP and other DOJ awards, see <https://ojp.gov/funding/Explore/LegalOverview/CivilRightsRequirements.htm>

Under the delegation of authority, the OCR investigates allegations of discrimination against recipients from individuals, entities, or groups. In addition, the OCR conducts limited compliance reviews and audits based on regulatory criteria. These reviews and audits permit the OCR to evaluate whether recipients of financial assistance from the Department are providing services in a nondiscriminatory manner to their service population or have employment practices that meet equal-opportunity standards.

If you are a recipient of grant awards under the Omnibus Crime Control and Safe Streets Act or the Juvenile Justice and Delinquency Prevention Act and your agency is part of a criminal justice system, there are two additional obligations that may apply in connection with the awards: (1) complying with the regulation relating to Equal Employment Opportunity Programs (EEOs); and (2) submitting findings of discrimination to OCR. For additional information regarding the EEO requirement, see 28 CFR Part 42, subpart E, and for additional information regarding requirements when there is an adverse finding, see 28 C.F.R. §§ 42.204(c), .205(c)(5). Please submit information about any adverse finding to the OCR at the above address.

The Grantee hereby agrees that it will comply, and all of its subrecipients (“subgrantees”) will comply, with the applicable provisions of:

A. Civil rights laws and nondiscrimination provisions

States and units of local government, public and nonprofit institutions of higher education, nonprofit organizations, for-profit businesses, and other recipients of DOJ grants may be subject to various federal civil rights laws for reasons *other than* their receipt of DOJ

Federal Awards issued from 2020 Federal Grant Funds

funds. Some examples include federal civil rights laws related to discrimination on the basis of race, color, national origin, sex, religion, or disability.

Because a DOJ award is a form of "federal financial assistance," the recipients of a DOJ award (and any "subrecipient" at any tier) must comply with additional civil-rights-related requirements above and beyond those that otherwise would apply.

In general, these additional requirements fall into one of two categories:

1. Civil rights laws (sometimes referred to as "cross-cutting" federal civil rights statutes). These apply to essentially any entity that receives an award of federal financial assistance -- regardless of which federal agency awards the grant or cooperative agreement -- and encompass the "program or activity" funded in whole or in part with the federal financial assistance.
2. Nondiscrimination provisions. These are requirements or restrictions that apply to certain OJP or OVW awards -- in addition to the civil rights laws -- because they are set out in a statute that applies specifically to one or more particular OJP or OVW grant programs, or to OJP or OVW awards made under a particular legal authority. Much like the civil rights laws, these provisions apply variously to the programs, activity, or undertaking funded in whole or in part by OJP or OVW, and are described herein.
 - a. Such nondiscrimination provisions apply to some, but not all, OJP or OVW grant programs.
 - b. The nondiscrimination provisions that apply to an OJP or OVW award (above and beyond the requirements in "cross-cutting" civil rights laws) may vary from award to award, even for awards made during the same fiscal year.
 - c. Typically, no more than one of these nondiscrimination provisions will apply to any particular OJP or OVW award.

General information on the civil rights laws that apply to every OJP or OVW award, and on the nondiscrimination provisions that apply to some OJP or OVW awards, is available at <https://ojp.gov/about/ocr/statutes-regulations>.

NOTE: As discussed in more detail below, if a civil rights law or nondiscrimination provision prohibits discrimination in employment on the basis of religion, the prohibition is read together with the provisions of the Religious Freedom Restoration Act of 1993.

B. Civil rights compliance: Access to services and benefits by individuals with limited English proficiency

Compliance with the civil rights laws entails, among other things, taking reasonable steps to ensure that individuals with limited English proficiency (LEP) have meaningful access to DOJ-funded programs or services. An individual with limited English proficiency is one whose first language is not English and who has a limited ability to read, write, speak, or understand English. To assist recipients of DOJ awards in meeting their obligations with respect to such individuals, DOJ has published a guidance document, available on the LEP.gov website.

C. Complying with the Safe Streets Act

An organization that is a recipient of financial assistance subject to the nondiscrimination provisions of the Safe Streets Act, must meet two obligations: (1) complying with the federal regulation pertaining to the development of an EEOP (see 28 C.F.R. pt. 42, subpt. As a grantee of DOJ funding, you may be required to submit an EEOP Certification Report or an EEOP Utilization Report to the OCR. For more information on whether your organization is subject to the EEOP requirements, see <https://ojp.gov/about/ocr/eeop.htm>. Additionally, you may request technical assistance from an EEOP specialist at the OCR by telephone at (202) 616-1771 or by e-mail at EEOPforms@usdoj.gov.
