#### **3. Grantee program income**

The grantee understands and agrees that it has responsibility to report program income earned. Program income, as defined by 2 C.F.R. 200.80, means gross income earned by a non-federal entity that is directly generated by a supported activity or earned as a result of the federal award during the period of performance. Without prior approval, program income must be deducted from total allowable costs to determine the net allowable costs. In order to add program income to the award, grantees must seek approval from DCJ prior to generating any program income. Any program income added to the award must be used to support activities that were approved in the budget and follow the conditions of the grant agreement. Any program income approved by DCJ must be reported by the subgrantee to DCJ. Failure to comply with these requirements may result in audit findings.

#### **4. Subgrantee product monitoring**

The grantee agrees to monitor subgrantees to ensure that materials and products (written, visual, or sound) developed with OVW formula grant program funding fall within the scope of the grant program and do not compromise victim safety.

#### **5. Publication disclaimer**

The grantee agrees that all materials and publications (written, web-based, audio-visual, or any other format) resulting from award activities shall contain the following statement: "This project was supported by Grant No. \_\_\_\_\_ awarded by the Office on Violence Against Women, U.S. Department of Justice. The opinions, findings, conclusions, and recommendations expressed in this publication/program/exhibition are those of the author(s) and do not necessarily reflect the views of the U.S. Department of Justice." The grantee also agrees to ensure that any subgrantee at any tier will comply with this condition.

6. Publications disclaimer for STOP Formula grantees

The grantee agrees that all materials and publications (written, web-based, audio-visual, or any other format) resulting from subaward activities shall contain the following statement: "This project was supported by Subgrant No. \_\_\_\_\_ awarded by the state administering office for the Office on Violence Against Women, U.S. Department of Justice's STOP Formula Grant Program. 7. Copyrighted works

Pursuant to 2 C.F.R. 200.315(b), the grantee may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under this award. DCJ and OVW reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use the work, in whole or in part (including in the creation of derivative works), for federal purposes, and to authorize others to do so.

DCJ and OVW also reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use, in whole or in part (including in the creation of derivative works), any work developed by a grantee ("subgrantee") of this award, for federal purposes, and to authorize others to do so.

In addition, the grantee (or subgrantee, contractor, or subcontractor of this award at any tier) must obtain advance written approval from DCJ, and must comply with all conditions specified by the program manager in connection with that approval, before: 1) using award funds to purchase ownership of, or a license to use, a copyrighted work; or 2) incorporating any copyrighted work, or portion thereof, into a new work developed under this award.

It is the responsibility of the grantee (and of each subgrantee, contractor, or subcontractor as applicable) to ensure that this condition is included in any subaward, contract, or subcontract under this award.

8. Ongoing compliance with statutory certifications

The grantee agrees that compliance with the statutory certification requirements is an ongoing responsibility during the award period and that, at a minimum, a hold may be placed on the recipient's funds for noncompliance with any of the requirements of 34 U.S.C. § 10449 (regarding rape exam payments), 34 U.S.C. § 10449(e) (regarding judicial notification), 34 U.S.C. § 10450 (regarding certain fees and costs), and 34 U.S.C. § 10451 (regarding polygraphing of sexual assault victims). Non-compliance with any of the foregoing may also result in termination or suspension of the grant or other remedial measures, in accordance with applicable laws and regulations.

9. Requirements for recipients and subrecipients providing legal assistance

The grantee agrees that the legal assistance eligibility requirements, as set forth below, are a continuing obligation on the part of the recipient. The legal assistance eligibility requirements are: (1) any person providing legal assistance through a program funded under this grant program (A) has demonstrated expertise in providing legal assistance to victims of domestic violence, dating violence, sexual assault, or stalking in the targeted population; or (B) (i) is partnered with an entity or person that has demonstrated expertise described in

subparagraph (A); and (ii) has completed or will complete training in connection with domestic violence, dating violence, stalking, or sexual assault and related legal issues, including training on evidence-based risk factors for domestic and dating violence homicide; (2) any training program conducted in satisfaction of the requirement of paragraph (1) has been or will be developed with input from and in collaboration with a state, local, territorial, or tribal domestic violence, dating violence, sexual assault, or stalking victim service provider or coalition, as well as appropriate state, local, territorial, and tribal law enforcement officials; (3) any person or organization providing legal assistance through this grant program has informed and will continue to inform state, local, territorial, or tribal domestic violence, dating violence, stalking, or sexual assault programs and coalitions, as well as appropriate state and local law enforcement officials of their work; and (4) the recipient's organizational policies do not require mediation or counseling involving offenders and victims physically together, in cases where sexual assault, dating violence, domestic violence, or child sexual abuse is an issue. The recipient also agrees to ensure that any subrecipient (“subgrantee”) at any tier will comply with this condition.

10. The STOP (Services, Training, Officers, Prosecutors) Violence Against Women Formula Grant Program (STOP Formula Grant Program) was authorized by the Violence Against Women Act (VAWA) of 1994 and reauthorized by subsequent legislation. The STOP Formula Grant Program encourages partnerships between law enforcement, prosecution, courts, and victim services organizations to enhance victim safety and hold offenders accountable in cases of domestic violence, dating violence, sexual assault, and stalking. The goal of the grant program is to develop and strengthen law enforcement, prosecution, and court strategies to combat violent crimes against women and to develop and strengthen victim services, including community-based, culturally specific services, in cases involving domestic violence, dating violence, sexual assault, and stalking.

Renovations and construction are unallowable under this grant, and therefore none of the following activities will be conducted under the OVW federal action (i.e., the OVW-funded grant project) or a related third-party action:

1. New construction.
2. Any renovation or remodeling of a property located in an environmentally or historically sensitive area, including property (a) listed on or eligible for listing on the National Register of Historic Places, or (b) located within a 100-year flood plain, a wetland, or habitat for an endangered species.
3. A renovation which will change the basic prior use of a facility or significantly change its size.
4. Research and technology whose anticipated and future application could be expected to have an effect on the environment.
5. Implementation of a program involving the use of chemicals.

In addition, the OVW federal action is neither a phase nor a segment of a project that, when reviewed in its entirety, would not meet the criteria for a categorical exclusion.

Consequently, the subject federal action meets the Office on Violence Against Women’s criteria for a categorical exclusion as contained in paragraph 4(b) of Appendix D to Part 61 of Title 28 of the Code of Federal Regulations (adopted by OVW at 28 CFR § 0.122(b)).

Also, no further analysis is required under the National Historic Preservation Act or other related statutes and regulations.
