Meeting rules and expectations. Public participation is invited at all SOMB meetings and Sub-Committee meetings. In order to keep the meeting running smoothly, we request that you please raise your hand and wait your turn to be called upon. The focus of this meeting is to discuss broad, state-wide policy development and decision items. Personal cases or experiences should only be shared if they are relevant to the issue being discussed. This is not the proper forum to obtain a remedy for an individual case. Also, the members who attend these meetings are here to address these broad policy issues, not to deal with individual cases or complaints. If you want to contact a member about an individual case with the exception of the members who are Judicial Officers, please do so at the member's office where they can access the necessary information to assist you. Thank you in advance for respecting the need to keep the discussions focused and for your courtesy in recognizing that members should be contacted at their own offices about matters outside the SOMB meeting agendas.

CDPS is committed to the full inclusion of all individuals, and we are continually making changes to improve accessibility and usability of our services. As part of this commitment, CDPS is prepared to offer reasonable accommodations for those who have difficulty engaging with our content. As an example, documents can be produced in an alternative file format upon request. To request this and other accommodations, or to discuss your needs further, please contact me at 303-515-1133 or raechel.alderete@state.co.us.
