

Suspension of Registration and Certification Fees
Fire Suppression program
8CCR-1507-11

November 10, 2017

This notice serves as notification of a one-time suspension of fees for Registrations and Certifications issued for calendar year 2018 pursuant to Code of Colorado Regulations 8 CCR 1507-11 concerning the Fire Suppression Program

Pursuant to Section 11.1 of 8 CCR 1507-11, the Division of Fire Prevention and Control (Division) will charge fees for the Registration of Suppression Contractors and Sprinkler Fitters and for the Certification of Fire Suppression System Inspectors. Pursuant to Section 11.4, fees may be waived or modified when appropriate at the discretion of the Director of the Division.

Pursuant to Section 11.2.2, the Division has reviewed the fund balance of the Fire Suppression Cash Fund and has determined to provide a one-time suspension of the fees for Suppression Contractor and Sprinkler Fitter Registrations and Fire Suppression Inspector Certifications initiated or renewed in 2018.

Please note that fees will still be assessed for Registrations and certifications for which the initiation or renewal date is prior to January 1, 2018. Refunds will be issued to those who have applied early for 2018 Registration or Certification renewal.
