The Board is requesting a phased permit issuance as follows (check all that apply):
<input type="checkbox"/> Demolition Only Permit
<input type="checkbox"/> Foundation Only Permit
<input type="checkbox"/> Core and Shell Only Permit

Upon request by the board (school district charter school or junior college) the Division of Fire Safety may issue phased permits for demolition construction of foundations and/or core and shell buildings provided that a building permit application and all required construction submittal documents for that portion of the building or structure being permitted have been submitted. The holder of such phased permit shall proceed at the holder's own risk with the building operation and without assurance that a permit for the entire structure will be granted. Issuance of this permit shall not be construed to be a permit for or approval of any violation of any of the provisions of the adopted codes.

By signing below The Representative of The Board indicates that The Board accepts the above stated conditions;
