PUBLIC LIFE SAFETY EDUCATOR I

NFPA 1035, 2010 EDITION

5.2 ADMINISTRATION

Activity Sheet: 5.2.1
Revised 2/11/2010

Candidate: _____

Date: _____

ID#: _____

STANDARD: 5.2.1 NFPA 1035, 2010 Edition	TASK: The candidate will document public fire and life safety educational activities.				
PERFORMANCE OUTCOME: Document fire and life safety educational activities so that all activities are recorded/computed on each form.					
CONDITIONS: Given specific forms or formats, educational activities, and information to gather and assemble.					
NO.	TASK STEPS	FIRST TEST		RETEST	
		Pass	Fail	Pass	Fail
1.	Identify appropriate form/format for recording education activity information				
2.	Identify appropriate education activity information				
3.	Assemble appropriate education activity information into proper format				
4.	Accurately record the appropriate education activity information on forms				
5.	Properly complete and submit education activity form

5.4.4 EDUCATION AND IMPLEMENTATION
 Select Instructional Materials

Activity Sheet: 5.4.4
 Revised 03.23.2016

Candidate: _____

Date: _____

ID#: _____

STANDARD: 5.4.4 NFPA 1035, 2010 Edition	TASK: The candidate will present a 15- to 20-minute block of instruction, adapt a lesson plan, given the lesson content and information about the audience so the material presented meets the needs of the audience.				
PERFORMANCE OUTCOME: Use multiple presentation methods when presenting an adapted prepared lesson plan so that the presentation methods are appropriate to the audience and the lesson given.					
CONDITIONS: Given an approved lesson plan, and identifying the target audience and their needs, the candidate will adapt the lesson plan and address the target audience needs including age level, educational level, functional needs, and/or any information about the audience that may need to be adapted to make the presentation understood by the audience. Once these adaptations have been made, the candidate will present the lesson to a simulated target audience.					
NO.	TASK STEPS	FIRST TEST		RETEST	
		Pass	Fail	Pass	Fail
1.	Candidate identified the target audience information in the approved lesson plan and makes the required adaptations to the lesson to meet the needs of the identified target audience.				
2.	Candidate identified the audience characteristics that identified them as the specific target audience				
3.	Candidate provided possible strategies to us to meet the needs of the audience.				
4.	Candidate encouraged individuals with positive reinforcement/feedback on performance.				
5.	Candidate delivered an appropriate summary/closure to emphasize and review key procedures, sequences, and concepts for closure.				
6.	Candidate properly diagnosed the audience readiness for evaluation step (if applicable).
