

## Car Ice Breaker

This ice breaker can be done with small to large groups.

1. Use the attached car picture, draw your own, or with larger groups you can use a white board or chart paper to draw a car. For large groups, you may consider drawing several cars or even a car, truck, van, SUV, etc.
2. Each person in the group will draw a part on the car that represents them in some way. It does not have to be an actual car part.
3. Once everyone has completed drawing their part, go around the room and each person will introduce themselves along with an explanation of the part that they drew.
