- 1 Nonoffender
- 26 Juvenile Detention Centers (Adjudicated status offenders held without benefit of the Valid Court Order)
- xx Adult Jails (any status offender held for any period of time, including warrants where the original offense was a status offense)
- xx Adult Lockups (any status offender held for any period of time, including warrants where the original offense was a status offense)
- xx Total Violations

Colorado’s DSO Rate of Compliance = (See chart below – Colorado’s rate is in bold and it is 6.28 violations per 100,000 youth)

**From OJJDP’s Compliance Monitoring Guidance Manual**

**DEINSTITUTIONALIZATION OF STATUS OFFENDERS**

**Rate of Violation per 100,000 juveniles Criteria for Compliance**

- 0.0 (or less than 0.1) The State has demonstrated full compliance.
- 0.1 - 5.7 The State has demonstrated full compliance with de minimis exceptions.
- 5.8 - 17.6 The State is eligible for a finding of compliance with de minimis exceptions if it adequately meets two criteria: a) non-compliant incidences violated State law, and b) an acceptable plan has been developed that is designed to eliminate the non-compliant incidents.
- 17.7 - 29.4 The State is eligible for a finding of compliance with de minimis exceptions if it fully satisfies two criteria: a) non-compliant incidences violated State law and b) an acceptable plan has been developed that is designed to eliminate the non-compliant incidents.
- 29.5 and greater The State is presumptively ineligible for a finding of compliance because any rate above this level is considered to represent an excessive and significant level of status offenders and nonoffenders held in juvenile detention or correctional facilities.
