

PREA Standards Requirements for Jails and Prisons Regarding Agreements with Outside Agencies

§ 115.21 Evidence protocol and forensic medical examinations

- Documentation of agreement with Sexual Assault Nurse Examiner (SANE) or Sexual Assault Forensic Examiner (SAFE) to perform medical forensic exams.
- Documentation of agreement with rape crisis center or other victim service organization to provide confidential victim advocacy services during the medical forensic exam and investigatory interviews, if requested.

§ 115.22 Policies to ensure referrals of allegations for investigations

- Documentation of agreement with law enforcement agency responsible for conducting criminal investigations into sexual abuse in the jail, outlining responsibilities of both agencies.

§ 115.53 Inmate access to outside confidential support services

- MOU with rape crisis center or other victim service organization to provide inmates with confidential emotional support services related to sexual abuse.

§ 115.82 Access to emergency medical and mental health services

- Contract with jail medical providers includes emergency medical treatment for sexual assault survivors, including information about and access to emergency contraception and sexually transmitted infections prophylaxis, at no cost to the survivor (i.e., without requiring a co-pay).
- Contract with jail mental health providers includes emergency crisis intervention for survivors, at no cost to them.

§ 115.83 Ongoing medical and mental health care for victims and abusers

- Contract with jail mental health providers includes ongoing mental health evaluation and treatment for sexual assault survivors, including follow-up services and referrals for continued care, at no cost to the survivor and consistent with the community level of care.
- Contract with jail medical providers includes ongoing medical evaluation and treatment for survivors, including pregnancy tests and comprehensive information about and access to all lawful pregnancy related medical services for victims of sexually abusive vaginal penetration, at no cost to the survivor and consistent with the community level of care.
