

# SB 15-217 Peace Officer-Involved Shooting Reporting Form

---

This data collection requires any state or local law enforcement agency that employs a peace officer who is involved in an officer-involved shooting that results in a person suspected of criminal activity being shot at by the officer to report the information described below. The statute defines a law enforcement agency as the following: a municipal police department, county sheriff's office, town marshal's office, the Colorado State Patrol, the Colorado Bureau of Investigation, and the state Division of Parks and Wildlife. These agencies must report to the Division of Criminal Justice (DCJ) by September 1, 2015 on all officer-involved shootings that occurred between January 1, 2010 and June 30, 2015. These agencies must also report by September 1, 2016 any officer-involved shootings that occur between July 1, 2015 and June 30, 2016. Agencies must report subsequent fiscal year data to DCJ by September 1 following the end of the fiscal year. One form should be completed for each officer-involved shooting event. "Shoot Teams" may complete the form on behalf of the agency or agencies involved, however the name(s) of the agency or agencies employing the peace officer(s) must be clear. All persons involved in the shooting event who are either shot at or charged with criminal activity are referred to below as "Subjects" in this data collection, and information must be collected on each.
