The provisions of this Grant in effect when such notice is given, including, but not limited to prices, rates, and delivery requirements, shall remain in effect during the two month extension. The two-month extension shall immediately terminate when and if a replacement Grant is approved and signed by the Colorado State Controller.

C. State's Option to Extend

The State may require continued performance for a period of 1 year at the same rates and same terms specified in the Grant. If the State exercises this option, it shall provide written notice to Grantee at least 30 days prior to the end of the current Grant term in a form substantially equivalent to Exhibit C – Sample Option Letter. Grantee shall invoice the State separately for accrued interest on delinquent amounts. The billing shall reference the delinquent payment, the number of day's interest to be paid and the interest rate.

iii. Available Funds-Contingency-Termination

The State is prohibited by law from making fiscal commitments beyond the term of the State's current fiscal year. Therefore, Grantee's compensation is contingent upon the continuing availability of State appropriations as provided in the Colorado Special Provisions, set forth below. If federal funds are used with this Grant in whole or in part, the State's performance hereunder is contingent upon the continuing availability of such funds. Payments pursuant to this Grant shall be made only from available funds encumbered for this Grant and the State's liability for such payments shall be limited to the amount remaining of such encumbered funds. If State or federal funds are not appropriated, or otherwise become unavailable to fund this Grant, the State may immediately terminate this Grant in whole or in part without further liability in accordance with the provisions herein.

At the State's sole discretion, payments made to Grantee in error for any reason, including, but not limited to overpayments or improper payments, and unexpended or excess funds received by Grantee, may be recovered from Grantee by deduction from subsequent payments under this Grant or other Grants, grants or agreements between the State and Grantee or by other appropriate methods and collected as a debt due to the State. Such funds shall not be paid to any person or entity other than the State.

v. Retroactive Payments

[Does not apply to State Funded Programs] The State shall pay Pre-award Costs only if (1) the Federal Notice of Award allows reimbursement for Pre-award Costs by a Grantee or Subgrantee from Federal Funds or Matching Funds, or (2) the Pre-award Costs have been specifically detailed in Grantee's grant budget, authorized by the State and incorporated in the Budget for the Work described in Exhibit B2 - Budget and Budget Narrative. Any such retroactive payments shall comply with State Fiscal Rules and Grantee and any Subgrantees shall have complied with all federal laws, rules and regulations applicable to the Work before the State shall make such payments. Grantee shall initiate any retroactive payment request by submitting invoices to the State that set out Grantee's compliance with the provisions of this Grant.

C. Use of Funds

Grant Funds shall be used only for eligible costs identified herein and/or in the Budget. Grantee may adjust budgeted expenditure amounts up to 10% within each line item of said Budget without approval of the State. Adjustments in excess of 10% shall be authorized by the State in an amendment to this Grant. The State's total consideration shall not exceed the maximum amount shown herein.

D. Matching Funds

Grantee shall provide matching funds as provided in Exhibit B2 – Budget and Budget Narrative. Grantee shall have raised the full amount of matching funds prior to the Effective Date and shall report to the State regarding the status of such funds upon request.

Such notice shall specify the type of Services to be performed outside the State of Colorado and/or the United States and the reason why it is necessary or advantageous to perform such Services at such location or locations. All notices received by the State pursuant to this §8.C shall be posted on the Colorado Department of Personnel & Administration's website. Knowing failure by Grantee to provide notice to the State under this §8.C shall constitute a material breach of this Grant.

D. Noncompliance

Grantee's failure to provide reports and notify the State in a timely manner in accordance with this §8 may result in the delay of payment of funds and/or termination as provided under this Grant.

E. Subgrants

Copies of any and all subgrants entered into by Grantee to perform its obligations hereunder shall be submitted to the State or its principal representative upon request by the State. Any and all subgrants entered into by Grantee related to its performance hereunder shall comply with all applicable federal and state laws and shall provide that such subgrants be governed by the laws of the State of Colorado.

Grantee shall maintain such records (the Record Retention Period) until the last to occur of the following: (i) a period of seven years after the date this Grant is completed or terminated, or (ii) final payment is made hereunder, whichever is later, or (iii) for such further period as may be necessary to resolve any pending matters, or (iv) if an audit is occurring, or Grantee has received notice that an audit is pending, then until such audit has been completed and its findings have been resolved (the "Record Retention Period").

B. Inspection

Grantee shall permit the State, the federal government and any other duly authorized agent of a governmental agency to audit, inspect, examine, excerpt, copy and/or transcribe Grantee's records related to this Grant during the Record Retention Period for a period of seven years following termination of this Grant or final payment hereunder, whichever is later, to assure compliance with the terms hereof or to evaluate Grantee's performance hereunder. The State reserves the right to inspect the Work at all reasonable times and places during the term of this Grant, including any extension. If the Work fails to conform to the requirements of this Grant, the State may require Grantee promptly to bring the Work into conformity with Grant requirements, at Grantee's sole expense. If the Work cannot be brought into conformance by re-performance or other corrective measures, the State may require Grantee to take necessary action to ensure that future performance conforms to Grant requirements and exercise the remedies available under this Grant, at law or inequity in lieu of or in conjunction with such corrective measures.

C. Monitoring

Grantee shall permit the State, the federal government, and other governmental agencies having jurisdiction, in their sole discretion, to monitor all activities conducted by Grantee pursuant to the terms of this Grant using any reasonable procedure, including, but not limited to: internal evaluation procedures, examination of program data, special analyses, on-site checking, formal audit examinations, or any other procedures. All monitoring controlled by the State shall be performed in a manner that shall not unduly interfere with Grantee's performance hereunder.

B. Notification

C. Use, Security, and Retention

Confidential information of any kind shall not be distributed or sold to any third party or used by Grantee or its agents in any way, except as authorized by this Grant or approved in writing by the State. Grantee shall provide and maintain a secure environment that ensures confidentiality of all State records and other confidential information wherever located. Confidential information shall not be retained in any files or otherwise by Grantee or its agents, except as permitted in this Grant or approved in writing by the State.

D. Disclosure-Liability

Disclosure of State records or other confidential information by Grantee for any reason may be cause for legal action by third parties against Grantee, the State or their respective agents. To the extent permitted by law, Grantee shall indemnify, save, and hold harmless the State, its employees and agents, against any and all claims, damages, liability and court awards including costs, expenses, and attorney fees and related costs, incurred as a result of any act or omission by Grantee, or its employees, agents, Subgrantees, or assignees pursuant to this §10.

11. CONFLICTS OF INTEREST

If a conflict or appearance exists, or if Grantee is uncertain whether a conflict or the appearance of a conflict of interest exists, Grantee shall submit to the State a disclosure statement setting forth the relevant details for the State's consideration. Failure to promptly submit a disclosure statement or to follow the State's direction in regard to the apparent conflict constitutes a breach of this Grant.

C. Licenses, Permits, Etc.

Grantee represents and warrants that as of the Effective Date it has, and that at all times during the term hereof it shall have, at its sole expense, all licenses, certifications, approvals, insurance, permits, and other authorization required by law to perform its obligations hereunder. Grantee, if a foreign corporation or other foreign entity transacting business in the State of Colorado, further warrants that it currently has obtained and shall maintain any applicable certificate of authority to transact business in the State of Colorado and has designated a registered agent in Colorado to accept service of process. Any revocation, withdrawal or non-renewal of licenses, certifications, approvals, insurance, permits or any such similar requirements necessary for Grantee to properly perform the terms of this Grant shall be deemed to be a material breach by Grantee and constitute grounds for termination of this Grant.

14. BREACH

A. Defined

In addition to any breaches specified in other sections of this Grant, the failure of either Party to perform any of its material obligations hereunder in whole or in part or in a timely or satisfactory manner, constitutes a breach. The institution of proceedings under any bankruptcy, insolvency, reorganization or similar law, by or against Grantee, or the appointment of a receiver or similar officer for Grantee or any of its property, which is not vacated or fully stayed within 20 days after the institution or occurrence thereof, shall also constitute a breach.

B. Notice and Cure Period

In the event of a breach, notice of such shall be given in writing by the aggrieved Party to the other Party in the manner provided in §16. If such breach is not cured within 30 days of receipt of written notice, or if a cure cannot be completed within 30 days, or if cure of the breach has not begun within 30 days and pursued with due diligence, the State may exercise any of the remedies set forth in §15. Notwithstanding anything to the contrary herein, the State, in its sole discretion, need not provide advance notice or a cure period and may immediately terminate this Grant in whole or in part if reasonably necessary to preserve public safety or to prevent immediate public crisis.

15. REMEDIES

If Grantee is in breach under any provision of this Grant, the State shall have all of the remedies listed in this §15 in addition to all other remedies set forth in other sections of this Grant following the notice and cure period set forth in §14(B). The State may exercise any or all of the remedies available to it, in its sole discretion, concurrently or consecutively.

A. Termination for Cause and/or Breach

If Grantee fails to perform any of its obligations hereunder with such diligence as is required to ensure its completion in accordance with the provisions of this Grant and in a timely manner, the State may notify Grantee of such non-performance in accordance with the provisions herein. If Grantee thereafter fails to promptly cure such non-performance within the cure period, the State, at its option, may terminate this entire Grant or such part of this Grant as to which there has been delay or a failure to properly perform. Exercise by the State of this right shall not be deemed a breach of its obligations hereunder. Grantee shall continue performance of this Grant to the extent not terminated, if any.

i. Obligations and Rights

To the extent specified in any termination notice, Grantee shall not incur further obligations or render further performance hereunder past the effective date of such notice, and shall terminate outstanding orders and subcontracts with third parties. However, Grantee shall complete and deliver to the State all Work, Services and Goods not cancelled by the termination notice and may incur obligations as are necessary to do so within this Grant's terms. At the sole discretion of the State, Grantee shall assign to the State all of Grantee's right, title, and interest under such terminated orders or subcontracts. Upon termination, Grantee shall take timely, reasonable and necessary action to protect and preserve property in the possession of Grantee in which the State has an interest. All materials owned by the State in the possession of Grantee shall be immediately returned to the State. All Work Product, at the option of the State, shall be delivered by Grantee to the State and shall become the State's property.

ii. Payments

The State shall reimburse Grantee only for accepted performance up to the date of termination. If, after termination by the State, it is determined that Grantee was not in breach or that Grantee's action or inaction was excusable, such termination shall be treated as a termination in the public interest and the rights and obligations of the Parties shall be the same as if this Grant had been terminated in the public interest, as described herein.

iii. Damages and Withholding

Notwithstanding any other remedial action by the State, Grantee also shall remain liable to the State for any damages sustained by the State by virtue of any breach under this Grant by Grantee and the State may withhold any payment to Grantee for the purpose of mitigating the State's damages, until such time as the exact amount of damages due to the State from Grantee is determined. The State may withhold any amount that may be due to Grantee as the State deems necessary to protect the State, including loss as a result of outstanding liens or claims of former lien holders, or to reimburse the State for the excess costs incurred in procuring similar goods or services. Grantee shall be liable for excess costs incurred by the State in procuring from third parties replacement Work, Services or substitute Goods as cover.

B. Early Termination in the Public Interest

The State is entering into this Grant for the purpose of carrying out the public policy of the State of Colorado, as determined by its Governor, General Assembly, and/or Courts. If this Grant ceases to further the public policy of the State, the State, in its sole discretion, may terminate this Grant in whole or in part. Exercise by the State of this right shall not constitute a breach of the State's obligations hereunder. This subsection shall not apply to a termination of this Grant by the State for cause or breach by Grantee, which shall be governed by §15(A) or as otherwise specifically provided for herein.

i. Method and Content

The State shall notify Grantee of such termination in accordance with §16. The notice shall specify the effective date of the termination and whether it affects all or a portion of this Grant.

ii. Obligations and Rights

Upon receipt of a termination notice, Grantee shall be subject to and comply with the same obligations and rights set forth in §15(A)(i).

iii. Payments

If this Grant is terminated by the State pursuant to this §15(B), Grantee shall be paid an amount which bears the same ratio to the total reimbursement under this Grant as the Services satisfactorily performed bear to the total Services covered by this Grant, less payments previously made. Additionally, if this Grant is less than 60% completed, the State may reimburse Grantee for a portion of actual out-of-pocket expenses (not otherwise reimbursed under this Grant) incurred by Grantee which are directly attributable to the uncompleted portion of Grantee's obligations hereunder; provided that the sum of any and all reimbursement shall not exceed the maximum amount payable to Grantee hereunder.

C. Remedies Not Involving Termination

The State, in its sole discretion, may exercise one or more of the following remedies in addition to other remedies available to it:

i. Suspend Performance

Suspend Grantee's performance with respect to all or any portion of this Grant pending necessary corrective action as specified by the State without entitling Grantee to an adjustment in price/cost or performance schedule. Grantee shall promptly cease performance and incurring costs in accordance with the State's directive and the State shall not be liable for costs incurred by Grantee after the suspension of performance under this provision.

ii. Withhold Payment

Withhold payment to Grantee until corrections in Grantee's performance are satisfactorily made and completed.

iii. Deny Payment

Deny payment for those obligations not performed, that due to Grantee's actions or inactions, cannot be performed or, if performed, would be of no value to the State; provided, that any denial of payment shall be reasonably related to the value to the State of the obligations not performed.

iv. Removal

Demand removal of any of Grantee's employees, agents, or Subgrantees whom the State deems incompetent, careless, insubordinate, unsuitable, or otherwise unacceptable, or whose continued relation to this Grant is deemed to be contrary to the public interest or not in the State's best interest.

v. Intellectual Property

If Grantee infringes on a patent, copyright, trademark, trade secret or other intellectual property right while performing its obligations under this Grant, Grantee shall, at the State's option (a) obtain for the State or Grantee the right to use such products and services; (b) replace any Goods, Services, or other product involved with non-infringing products or modify them so that they become non-infringing; or, (c) if neither of the foregoing alternatives are reasonably available, remove any infringing Goods, Services, or products and refund the price paid therefore to the State.

17. RIGHTS IN DATA, DOCUMENTS, AND COMPUTER SOFTWARE

Any software, research, reports, studies, data, photographs, negatives or other documents, drawings, models, materials, or Work Product of any type, including drafts, prepared by Grantee in the performance of its obligations under this Grant shall be the non-exclusive property of the State and, all Work Product shall be delivered to the State by Grantee upon completion or termination hereof. The State's non-exclusive rights in such Work Product shall include, but not be limited to, the right to copy, publish, display, transfer, and prepare derivative works.

18. GOVERNMENTAL IMMUNITY

Notwithstanding any other provision to the contrary, nothing herein shall constitute a waiver, express or implied, of any of the immunities, rights, benefits, protection, or other provisions of the Colorado Governmental Immunity Act, CRS §24-10-101, et seq., as amended. Liability for claims for injuries to persons or property arising from the negligence of the State of Colorado, its departments, institutions, agencies, boards, officials, and employees is controlled and limited by the provisions of the Governmental Immunity Act and the risk management statutes, CRS §24-30-1501, et seq., as amended.

19. STATEWIDE CONTRACT MANAGEMENT SYSTEM

If the maximum amount payable to Grantee under this Grant is \$100,000 or greater, either on the Effective Date or at anytime thereafter, this §19 applies.

Grantee agrees to be governed, and to abide, by the provisions of CRS §24-102-205, §24-102-206, §24-103-601, §24-103.5-101 and §24-105-102 concerning the monitoring of vendor performance on state Grants and inclusion of Grant performance information in a statewide Contract Management System (CMS).

Grantee's performance shall be subject to Evaluation and Review in accordance with the terms and conditions of this Grant, State law, including CRS §24-103.5-101, and State Fiscal Rules, Policies and Guidance. Evaluation and Review of Grantee's performance shall be part of the normal Grant administration process and Grantee's performance will be systematically recorded in the statewide Contract Management System. Areas of Evaluation and Review shall include, but shall not be limited to quality, cost and timeliness. Collection of information relevant to the performance of Grantee's obligations under this Grant shall be determined by the specific requirements of such obligations and shall include factors tailored to match the requirements of Grantee's obligations. Such performance information shall be entered into the statewide Contract Management System at intervals established herein and a final Evaluation, Review and Rating shall be rendered within 30 days of the end of the Grant term. Grantee shall be notified following each performance Evaluation and Review, and shall address or correct any identified problem in a timely manner and maintain work progress.

Should the final performance Evaluation and Review determine that Grantee demonstrated a gross failure to meet the performance measures established hereunder, the Executive Director of the Colorado Department of Personnel & Administration (Executive Director), upon request by the Colorado Department of Public Safety, and showing of good cause, may debar Grantee and prohibit Grantee from bidding on future Grants. Grantee may contest the final Evaluation, Review and Rating by: (a) filing rebuttal statements, which may result in either removal or correction of the evaluation (CRS §24-105-102(6)), or (b) under CRS §24-105-102(6), exercising the debarment protest and appeal rights provided in CRS §§24-109-106, 107, 201 or 202, which may result in the reversal of the debarment and reinstatement of Grantee, by the Executive Director, upon a showing of good cause.

Notwithstanding anything herein to the contrary, provisions of this Grant requiring continued performance, compliance, or effect after termination hereof, shall survive such termination and shall be enforceable by the State if Grantee fails to perform or comply as required.

L. Taxes

The State is exempt from all federal excise taxes under IRC Chapter 32 (No. 84-730123K) and from all State and local government sales and use taxes under CRS §§39-26-101 and 201 et seq. Such exemptions apply when materials are purchased or services rendered to benefit the State; provided however, that certain political subdivisions (e.g., City of Denver) may require payment of sales or use taxes even though the product or service is provided to the State. Grantee shall be solely liable for paying such taxes as the State is prohibited from paying for or reimbursing Grantee for them.

M. Third Party Beneficiaries

Enforcement of this Grant and all rights and obligations hereunder are reserved solely to the Parties, and not to any third party. Any services or benefits which third parties receive as a result of this Grant are incidental to the Grant, and do not create any rights for such third parties.

EXHIBIT A1 – SPECIAL CONDITIONS

1. FUTURE FUNDING

The capacity for VOCA, S.T.O.P. VAWA, and/or Sexual Assault Services Program (SASP) formula grant funds to provide future continuation dollars for projects is undetermined at this time. Grantee Agencies are advised to seek other funding sources, especially for personnel dollars.

2. Grantee Agency shall notify the Office for Victims Programs (OVP) if the agency has obtained funding for a specific (OVP) funded position that totals more than 100% of the cost for that position. The agency must resolve the allocation of funds to the satisfaction of the Division of Criminal Justice.

3. Grantee Agency must notify the Office for Victims Programs (OVP) immediately in writing, via email, regular mail or COGMS, as appropriate, of:

- any OVP grant funded personnel changes;
- any OVP grant funded position that is vacant for 45 days;
- any change of an Official and/or employee who is listed as responsible party on this OVP grant funded project.

4. STATE CONFIDENTIALITY OF VICTIMS INFORMATION

The Grantee Agency certifies that the signing authorities, all staff and volunteers assigned to the project have read and understand, state laws and applicable rules of professional conduct related to issues of confidentiality and privilege, particularly with respect to releasing identifying information about victims of crime, include, but not limited to, those found in C.R.S. §13-90-107.

5. COLORADO VICTIM RIGHTS ACT (Applies to Government Agencies only)

The Grantee Agency assures that the application signatories, all staff and all volunteers assigned to the funded project have read and understand the rights afforded to crime victims pursuant to §24-4.1-302.5 C.R.S., and the services delineated pursuant to §24-4.1-303 and 24-4.1-304 C.R.S., commonly known as the Victim Rights Act, and enabling legislation.

GRANTEE ORGANIZATION ELIGIBILITY REQUIREMENTS

The Grantee Organization will comply with the conditions of Victims of Crime Act (VOCA) of 1984, sections 1404(a)(2), and 1404(b)(1) and (2), 42 U.S.C. 10603(a)(2) and (b)(1) and (2) (and the applicable program guidelines and regulations), as required. 1404 (b)(1) codified at 42 U.S.C. 10603(b). VOCA establishes eligibility criteria that must be met by all organizations that receive VOCA funds. These funds are to be awarded to grantees only for providing services to victims of crime through their staff. Each grantee organization shall meet the following requirements:

1. PUBLIC OR NONPROFIT ORGANIZATION

To be eligible to receive VOCA funds, organizations must be operated by a public or nonprofit organization, or a combination of such organizations, and provide services to crime victims.

2. RECORD OF EFFECTIVE SERVICES

Demonstrate a record of providing effective services to crime victims. This includes having the support and approval of its services by the community, a history of providing direct services in a cost-effective manner, and financial support from other sources.

3. NEW PROGRAMS

Those programs that have not yet demonstrated a record of providing services may be eligible to receive VOCA funding, if they can demonstrate that 25-50 percent of their financial support comes from non-federal sources. It is important that organizations have a variety of funding sources besides federal funding in order to ensure their financial stability. States are responsible for establishing the base level of non-federal support required within the 25-50 percent range.

4. PROGRAM MATCH REQUIREMENTS

The purpose of matching contributions is to increase the amount of resources available to the projects supported by grant funds. Matching contributions of 20% (cash or in-kind) of the total cost of each VOCA project (VOCA grant plus match) are required for each VOCA-funded project and must be derived from non-federal sources, except as provided in the DOJ Grants Financial Guide, effective edition (Part III. Post Award Requirements, Chapter 3. Matching or Cost Sharing). All funds designated as match are restricted to the same uses as the VOCA victim assistance funds and must be expended within the grant period. Match must be provided on a project-by-project basis. Any deviation from this policy must be approved by OVC.

For the purposes of this program, in-kind match may include donations of expendable equipment, office supplies, workshop or classroom materials, work space, or the monetary value of time contributed by professionals and technical personnel and other skilled and unskilled labor, if the services they provide are an integral and necessary part of a funded project. The value placed on donated services must be consistent with the rate of compensation paid for similar work in the subrecipient's organization. If the required skills are not found in the subrecipient's organization, the rate of compensation must be consistent with the labor market. In either case, fringe benefits may be included in the valuation. The value placed on loaned or donated equipment may not exceed its fair market value. The value of donated space may not exceed the fair rental value of comparable space as established by an independent appraisal of comparable space and facilities in privately owned buildings in the same locality.

a. Record Keeping. VOCA recipients and their subrecipients must maintain records that clearly show the source, the amount, and the period during which the match was allocated. The basis for determining the value of personal services, materials, equipment, and space must be documented. Volunteer services must be documented, and to the extent feasible, supported by the same methods used by the subrecipient for its own paid employees. The state has primary responsibility for subrecipient compliance with the requirements. State grantees are encouraged not to require excessive amounts of match.

b. Exceptions to the 20% match: OVC sets lower match requirements for:

i. Native American Tribes/Organizations Located on Reservations. The match for new or existing VOCA subrecipients that are Native American tribes/organizations located on reservations is 5% (cash or in-kind) of the total VOCA project. For the purpose of this grant, a Native American tribe/organization is defined as any tribe, band, nation, or other organized group or community which is recognized as eligible for the special programs and services provided by the U.S. to Native Americans because of their status as Native Americans. A reservation is defined as a tract of land set aside for use of, and occupancy by, Native Americans.

ii. The U.S. Virgin Islands, and all other territories and possessions of the U.S., except Puerto Rico, are not required to match VOCA funds. See 48 U.S.C. 1469a(d).

iii. OVC may waive the match requirement if extraordinary need is documented by State VOCA administrators.

5. VOLUNTEERS

The Grantee Agency must use volunteers unless the state grantee determines there is a compelling reason to waive this requirement. A "compelling reason" may be a statutory or contractual provision concerning liability or confidentiality of counselor/victim information, which bars using volunteers for certain positions, or the inability to recruit and maintain volunteers after a sustained and aggressive effort.

6. PROMOTE COMMUNITY EFFORTS TO AID CRIME VICTIMS

Promote, within the community, coordinated public and private efforts to aid crime victims. Coordination may include, but is not limited to, serving on state, federal, local, or Native American task forces, commissions, working groups, coalitions, and/or multi-disciplinary teams. Coordination efforts also include developing written agreements that contribute to better and more comprehensive services to crime victims. Coordination efforts qualify an organization to receive VOCA victim assistance funds, but are not activities that can be supported with VOCA funds.

7. HELP VICTIMS APPLY FOR COMPENSATION BENEFITS

Such assistance may include identifying and notifying crime victims of the availability of compensation, assisting them with application forms and procedures, obtaining necessary documentation, and/or checking on claim status.

8. COMPLY WITH FEDERAL RULES REGULATING GRANTS

The Grantee Agency must comply with the applicable provisions of VOCA, the Program Guidelines, and the requirements of the DOJ Grants Financial Guide, effective edition, which includes maintaining appropriate programmatic and financial records that fully disclose the amount and disposition of VOCA funds received. This includes: financial documentation for disbursements; daily time and attendance records specifying time devoted to allowable VOCA victim services; client files; the portion of the project supplied by other sources of revenue; job descriptions; contracts for services; and other records which facilitate an effective audit.

9. MAINTAIN CIVIL RIGHTS INFORMATION

Maintain statutorily required civil rights statistics on victims served by race, national origin, sex, age, and disability, within the timetable established by the state grantee; and permit reasonable access to its books, documents, papers, and records to determine whether the subrecipient is complying with applicable civil rights laws. This requirement is waived when providing a service, such as telephone counseling, where soliciting the information may be inappropriate or offensive to the crime victim.

10. COMPLY WITH STATE CRITERIA

The Grantee Agency must abide by any additional eligibility or service criteria as established by the state grantee including submitting statistical and programmatic information on the use and impact of VOCA funds, as requested by the State grantee.

11. SERVICES TO VICTIMS OF FEDERAL CRIMES

The Grantee Agency must provide services to victims of federal crimes on the same basis as victims of state/local crimes.

12. NO CHARGE TO VICTIMS FOR VOCA-FUNDED SERVICES

The Grantee Agency must provide services to crime victims, at no charge, through the VOCA-funded project. Any deviation from this provision requires prior approval by the state grantee. Prior to authorizing subrecipients to generate income, OVC strongly encourages administrators to carefully weigh the following considerations regarding federal funds generating income for subrecipient organizations.

a. The purpose of the VOCA victim assistance grant program is to provide services to all crime victims regardless of their ability to pay for services rendered or availability of insurance or other third-party payment resources. Crime victims suffer tremendous emotional, physical, and financial losses. It was never the intent of VOCA to exacerbate the impact of the crime by asking the victim to pay for services.

b. State grantees must ensure that they and their subrecipients have the capability to track program income in accordance with federal financial accounting requirements. All VOCA-funded program and match income, no matter how large or small, is restricted to the same uses as the VOCA grant.

Program income can be problematic because of the required tracking systems needed to monitor VOCA-funded income and ensure that it is used only to make additional services available to crime victims. For example: VOCA often funds only a portion of a counselor's time. Accounting for VOCA program income generated by this counselor is complicated, involving careful record keeping by the counselor, the subrecipient (Grantee Agency) program, and the state.

13. CLIENT – COUNSELOR CONFIDENTIALITY

Maintain confidentiality of client-counselor information, as required by state and federal law.

14. CONFIDENTIALITY OF RESEARCH INFORMATION

Except as otherwise provided by federal law, no recipient of monies under VOCA shall use or reveal any research or statistical information furnished under this program by any person and identifiable to any specific private person for any purpose other than the purpose for which such information was obtained in accordance with VOCA. Such information, and any copy of such information, shall be immune from legal process and shall not, without the consent of the person furnishing such information, be admitted as evidence or used for any purpose in any action, suit, or other judicial, legislative, or administrative proceeding. See Section 1407(d) of VOCA codified at 42 U.S.C. 10604.

These provisions are intended, among other things, to ensure the confidentiality of information provided by crime victims to counselors working for victim services programs receiving VOCA funds. Whatever the scope of application given this provision, it is clear that there is nothing in VOCA or its legislative history to indicate that Congress intended to override or repeal, in effect, a state's existing law governing the disclosure of information which is supportive of VOCA's fundamental goal of helping crime victims. For example, this provision would not act to override or repeal, in effect, a state's existing law pertaining to the mandatory reporting of suspected child abuse. (See *Pennhurst School and Hospital v. Halderman, et al.*, 451 U.S. 1 (1981).) Furthermore, this confidentiality provision should not be interpreted to thwart the legitimate informational needs of public agencies. For example, this provision does not prohibit a domestic violence shelter from acknowledging, in response to an inquiry by a law enforcement agency conducting a missing person investigation, that the person is safe in the shelter. Similarly, this provision does not prohibit access to a victim service project by a federal or state agency seeking to determine whether federal and state funds are being utilized in accordance with funding agreements.

15. Demographic Data

The grantee will collect and maintain information on race, sex, national origin, age, and disability of victims receiving assistance, where such information is voluntarily furnished by the victim.

16. Discrimination Findings

The grantee assures that in the event that a Federal or State court or Federal or State administrative agency makes a finding of discrimination after a due process hearing on the ground of race, religion, national origin, sex, or disability against a recipient of victim assistance formula funds under this award, the recipient will forward a copy of the findings to DCJ and the Office for Civil Rights of OJP.

17. Non-Profits

4. CIVIL RIGHTS COMPLIANCE

The Grantee hereby agrees that it will comply, and all of its Subgrantees will comply, with the applicable provisions of:

A. MEETING THE EEOP REQUIREMENT

Grantee acknowledges that failure to submit an acceptable Certification of Compliance with Regulations Regarding Civil Rights Requirements and Equal Employment Opportunity Plans (EEOP) -DCJ Form 30 may result in suspension of funding until such time as the grantee is in compliance, or termination of the award. Upon award, each Grantee will be required to do the following:

- (1) The Project Director must view all of the trainings on Civil Rights available on DCJ's website and acknowledge by providing an original signature that the project's staff will be made aware of all obligations regarding Civil Rights compliance;
- (2) Submit the form to the Grantee Agency's Authorized Official for this grant;
- (3) The Authorized Official must review the form in conjunction with Grantee personnel responsible for reporting civil rights findings of discrimination;
- (4) The Authorized Official must accurately complete the required information and provide all information requested;
- (5) The Authorized Official must provide an original signature on the form as indicated;
- (6) The DCJ Form 30 with original signature must be returned to DCJ with the Grant Agreement; and,
- (7) A copy of the DCJ Form 30 must be forwarded to the Grantee personnel responsible for reporting civil rights findings of discrimination at your agency/organization.

DCJ will forward a copy to the Office for Civil Rights, Office of Justice Programs, U.S. Department of Justice.

B. MEETING THE REQUIREMENT TO SUBMIT FINDINGS OF DISCRIMINATION

If in the three years prior to the date of the grant award, your organization has received an adverse finding of discrimination based on race, color, national origin, religion, or sex, after a due-process hearing, from a state or federal court or from a state or federal administrative agency, your organization must send a copy of the finding to the DCJ within 45 days of receipt of this grant award. DCJ will forward a copy to the Office for Civil Rights (OCR) at federal awarding office (OJP or OVW).

C. ENFORCING CIVIL RIGHTS LAWS

All recipients of federal financial assistance, regardless of the particular funding source, the amount of the grant award, or the number of employees in the workforce, are subject to prohibitions against unlawful discrimination. Accordingly, the OCR investigates recipients that are the subject of discrimination complaints from both individuals and groups. In addition, based on regulatory criteria, the OCR selects a number of recipients each year for compliance reviews, audits that require recipients to submit data showing that they are providing services equitably to all segments of their service population and that their employment practices meet equal opportunity standards.

D. COMPLYING WITH THE SAFE STREETS ACT

An organization that is a recipient of financial assistance subject to the nondiscrimination provisions of the Safe Streets Act, must meet two obligations: (1) complying with the federal regulation pertaining to the development of an EEOP (see 28 C.F.R. pt. 42, subpt. E) and (2) submitting to the OCR findings of discrimination (see 28 C.F.R. §§ 42.204(c), .205(c)(5)).

E. ENSURING ACCESS TO FEDERALLY ASSISTED PROGRAMS

The Violence Against Women Reauthorization Act of 2013 amends the Violence Against Women Act of 1994 (VAWA) and includes a nondiscrimination grant condition that prohibits grantees from excluding, denying benefits to, or discrimination against any person on the basis on actual or perceived race, color, national origin, religion, sex, disability, sexual orientation, or gender identity in funded programs or activities, in whole or in part, not only in employment but also in the delivery of services or benefits.

Federal law also prohibits recipients from discriminating on the basis of age in the delivery of services or benefits.

F. PROVIDING SERVICES TO LIMITED ENGLISH PROFICIENCY (LEP) INDIVIDUALS

In accordance with DOJ guidance pertaining to Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d, recipients of federal financial assistance must take reasonable steps to provide meaningful access to their programs and activities for persons with limited English proficiency (LEP). See U.S. Department of Justice, Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons, 67 Fed. Reg. 41,455 (2002). For more information on the civil rights responsibilities that recipients have in providing language services to LEP individuals, please see the website <http://www.lep.gov>.

G. ENSURING EQUAL TREATMENT FOR FAITH-BASED ORGANIZATIONS

The DOJ regulation, Equal Treatment for Faith-Based Organizations, 28 C.F.R. pt. 38, prohibits faith-based organizations from using financial assistance from the DOJ to fund inherently (or explicitly) religious activities. While faith-based organizations can engage in non-funded inherently religious activities, they must hold them separately from the program funded by the DOJ, and recipients cannot compel beneficiaries to participate in them. The Equal Treatment Regulation also makes clear that organizations participating in programs funded by the DOJ are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion. For more information on the regulation, please see the OCR's website at http://www.ojp.usdoj.gov/about/ocr/equal_fbo.htm.

Faith-based organizations should also note that the Omnibus Crime Control and Safe Streets Act (Safe Streets Act) of 1968, as amended, 42 U.S.C. § 3789d(c); the Victims of Crime Act of 1984, as amended, 42 U.S.C. § 10604(e); the Juvenile Justice and Delinquency Prevention Act of 1974, as amended, 42 U.S.C. § 5672(b); and VAWA, Pub. L. No. 113-4, sec. 3(b)(4), 127 Stat. 54, 61-62 (to be codified at 42 U.S.C. § 13925(b)(13)) contain prohibitions against discrimination on the basis of religion in employment. Despite these nondiscrimination provisions, the DOJ has concluded that it may construe the Religious Freedom Restoration Act (RFRA) on a case-by-case basis to permit some faith-based organizations to receive DOJ funds while taking into account religion when hiring staff, even if the statute that authorizes the funding program generally forbids recipients from considering religion in employment decisions. Please consult with the OCR if you have any questions about the regulation or the application of RFRA to the statutes that prohibit discrimination in employment.

H. USING ARREST AND CONVICTION RECORDS IN MAKING EMPLOYMENT DECISIONS

The OCR issued an advisory document for recipients on the proper use of arrest and conviction records in making hiring decisions. See Advisory for Recipients of Financial Assistance from the U.S. Department of Justice on the U.S. Equal Employment Opportunity Commission's Enforcement Guidance: Consideration of Arrest and Conviction Records in Employment Decisions Under Title VII of the Civil Rights Act of 1964 (June 2013), available at

http://www.ojp.usdoj.gov/about/ocr/pdfs/UseofConviction_Advisory.pdf.

Recipients should be mindful that the misuse of arrest or conviction records to screen either applicants for employment or employees for retention or promotion may have a disparate impact based on race or national origin, resulting in unlawful employment discrimination. In light of the Advisory, recipients should consult local counsel in reviewing their employment practices. If warranted, recipients should also incorporate an analysis of the use of arrest and conviction records in their Equal Employment Opportunity Plans (EEOs).

I. ENSURING THE COMPLIANCE OF SUBGRANTEES

Grantee must have standard assurances to notify subgrantees of their civil rights obligations, written procedures to address discrimination complaints filed against subgrantees, methods to monitor subgrantees' compliance with civil rights requirements, and a program to train subgrantees on applicable civil rights laws.

J. STUDENTS AND GUARDIANS

Grantee understands and agrees that award funds may not be used to discriminate against or denigrate the religious or moral beliefs of students who participate in programs for which financial assistance is provided from those funds, or of the parents or legal guardians of such students.

5. FRAUD, WASTE, ERROR AND ABUSE**A. REPORTING**

The grantee and any subgrantees must promptly refer to the Department of Justice, Office of the Inspector General (OIG) any credible evidence that a principal, employee, agent, subgrantee, contractor, subcontractor, or other person has -- 1) submitted a claim for grant award funds that violates the False Claims Act; or 2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct involving grant award funds. A. Term-Work Commencement

Unless otherwise permitted in §2 above, the Parties respective performances under this Agreement shall commence on the later of the Effective Date or May 01, 2016. The two month extension shall immediately terminate when and if a replacement agreement is approved and signed by the State Controller.
