A. Defined

In addition to any breaches specified in other sections of this Grant, the failure of either Party to perform any of its material obligations hereunder, in whole or in part or in a timely or satisfactory manner, constitutes a breach. The institution of proceedings under any bankruptcy, insolvency, reorganization or similar law, by or against Grantee, or the appointment of a receiver or similar officer for Grantee or any of its property, which is not vacated or fully stayed within 20 days after the institution or occurrence thereof, shall also constitute a breach.

B. Notice and Cure Period

In the event of a breach, notice of such shall be given in writing by the aggrieved Party to the other Party in the manner provided in §16. If such breach is not cured within 30 days of receipt of written notice, or if a cure cannot be completed within 30 days, or if cure of the breach has not begun within 30 days and pursued with due diligence, the State may exercise any of the remedies set forth in §15. Notwithstanding anything to the contrary herein, the State, in its sole discretion, need not provide advance notice or a cure period and may immediately terminate this Grant in whole or in part if reasonably necessary to preserve public safety or to prevent immediate public crisis.

15. REMEDIES

If Grantee is in breach under any provision of this Grant, the State shall have all of the remedies listed in this §15 in addition to all other remedies set forth in other sections of this Grant following the notice and cure period set forth in §14(B). The State may exercise any or all of the remedies available to it, in its sole discretion, concurrently or consecutively.

A. Termination for Cause and/or Breach

If Grantee fails to perform any of its obligations hereunder with such diligence as is required to ensure its completion in accordance with the provisions of this Grant and in a timely manner, the State may notify Grantee of such non-performance in accordance with the provisions herein. If Grantee thereafter fails to promptly cure such non-performance within the cure period, the State, at its option, may terminate this entire Grant or such part of this Grant as to which there has been delay or a failure to properly perform. Exercise by the State of this right shall not be deemed a breach of its obligations hereunder. Grantee shall continue performance of this Grant to the extent not terminated, if any.

i. Obligations and Rights

To the extent specified in any termination notice, Grantee shall not incur further obligations or render further performance hereunder past the effective date of such notice, and shall terminate outstanding orders and subcontracts with third parties. However, Grantee shall complete and deliver to the State all Work, Services and Goods not cancelled by the termination notice and may incur obligations as are necessary to do so within this Grant's terms. At the sole discretion of the State, Grantee shall assign to the State all of Grantee's right, title, and interest under such terminated orders or subcontracts. Upon termination, Grantee shall take timely, reasonable and necessary action to protect and preserve property in the possession of Grantee in which the State has an interest. All materials owned by the State in the possession of Grantee shall be immediately returned to the State. All Work Product, at the option of the State, shall be delivered by Grantee to the State and shall become the State's property.

ii. Payments

The State shall reimburse Grantee only for accepted performance up to the date of termination. If, after termination by the State, it is determined that Grantee was not in breach or that Grantee's action or inaction was excusable, such termination shall be treated as a termination in the public interest and the rights and obligations of the Parties shall be the same as if this Grant had been terminated in the public interest, as described herein.

iii. Damages and Withholding

Notwithstanding any other remedial action by the State, Grantee also shall remain liable to the State for any damages sustained by the State by virtue of any breach under this Grant by Grantee and the State may withhold any payment to Grantee for the purpose of mitigating the State's damages, until such time as the exact amount of damages due to the State from Grantee is determined. The State may withhold any amount that may be due to Grantee as the State deems necessary to protect the State, including loss as a result of outstanding liens or claims of former lien holders, or to reimburse the State for the excess costs incurred in procuring similar goods or services. Grantee shall be liable for excess costs incurred by the State in procuring from third parties replacement Work, Services or substitute Goods as cover.

B. Early Termination in the Public Interest

The State is entering into this Grant for the purpose of carrying out the public policy of the State of Colorado, as determined by its Governor, General Assembly, and/or Courts. If this Grant ceases to further the public policy of the State, the State, in its sole discretion, may terminate this Grant in whole or in part. Exercise by the State of this right shall not constitute a breach of the State's obligations hereunder. This

subsection shall not apply to a termination of this Grant by the State for cause or breach by Grantee, which shall be governed by §15(A) or as otherwise specifically provided for herein.

i. Method and Content

The State shall notify Grantee of such termination in accordance with §16. The notice shall specify the effective date of the termination and whether it affects all or a portion of this Grant.

ii. Obligations and Rights

Upon receipt of a termination notice, Grantee shall be subject to and comply with the same obligations and rights set forth in §15(A)(i).

iii. Payments

If this Grant is terminated by the State pursuant to this §15(B), Grantee shall be paid an amount which bears the same ratio to the total reimbursement under this Grant as the Services satisfactorily performed bear to the total Services covered by this Grant, less payments previously made.

Additionally, if this Grant is less than 60% completed, the State may reimburse Grantee for a portion of actual out-of-pocket expenses (not otherwise reimbursed under this Grant) incurred by Grantee which are directly attributable to the uncompleted portion of Grantee's obligations hereunder; provided that the sum of any and all reimbursement shall not exceed the maximum amount payable to Grantee hereunder.

C. Remedies Not Involving Termination

The State, in its sole discretion, may exercise one or more of the following remedies in addition to other remedies available to it:

i. Suspend Performance

Suspend Grantee's performance with respect to all or any portion of this Grant pending necessary corrective action as specified by the State without entitling Grantee to an adjustment in price/cost or performance schedule. Grantee shall promptly cease performance and incurring costs in accordance with the State's directive and the State shall not be liable for costs incurred by Grantee after the suspension of performance under this provision.

ii. Withhold Payment

Withhold payment to Grantee until corrections in Grantee's performance are satisfactorily made and completed. The State may withhold payment in the event the Grantee fails to comply with conditions and certifications contained in this grant award.

iii. Deny Payment

Deny payment for those obligations not performed, that due to Grantee's actions or inactions, cannot be performed or, if performed, would be of no value to the State; provided, that any denial of payment shall be reasonably related to the value to the State of the obligations not performed.

iv. Removal

Demand removal of any of Grantee's employees, agents, or Subgrantees whom the State deems incompetent, careless, insubordinate, unsuitable, or otherwise unacceptable, or whose continued relation to this Grant is deemed to be contrary to the public interest or not in the State's best interest.

v. Intellectual Property

If Grantee infringes on a patent, copyright, trademark, trade secret or other intellectual property right while performing its obligations under this Grant, Grantee shall, at the State's option (a) obtain for the State or Grantee the right to use such products and services; (b) replace any Goods, Services, or other product involved with non-infringing products or modify them so that they become non-infringing; or, (c) if neither of the foregoing alternatives are reasonably available, remove any infringing Goods, Services, or products and refund the price paid therefore to the State.

Special Condition	VOCA 2015	VAWA 2015	SASP 2015	State VALE 2015
GRANTEE ORGANIZATION ELIGIBILITY REQUIREMENTS	X			
The Grantee Organization will comply with the conditions of Victims of Crime Act (VOCA) of 1984 section 1404 (b)(1) codified at 42 U.S.C. 10603(b). VOCA establishes eligibility criteria that must be met by all organizations that receive VOCA funds. These funds are to be awarded to grantees only for providing services to victims of crime through their staff. Each grantee organization shall meet the following requirements:	X			
1. PUBLIC OR NONPROFIT ORGANIZATION To be eligible to receive VOCA funds, organizations must be operated by a public or nonprofit organization, or a combination of such organizations, and provide services to crime victims.	X			
2. RECORD OF EFFECTIVE SERVICES Demonstrate a record of providing effective services to crime victims. This includes having the support and approval of its services by the community, a history of providing direct services in a cost-effective manner, and financial support from other sources.	X			
3. NEW PROGRAMS Those programs that have not yet demonstrated a record of providing services may be eligible to receive VOCA funding, if they can demonstrate that 25-50 percent of their financial support comes from non-federal sources. It is important that organizations have a variety of funding sources besides federal funding in order to ensure their financial stability. States are responsible for establishing the base level of non-federal support required within the 25-50 percent range.	X			
4. PROGRAM MATCH REQUIREMENTS The purpose of matching contributions is to increase the amount of resources available to the projects supported by grant funds. Matching contributions of 20% (cash or in-kind) of the total cost of each VOCA project (VOCA grant plus match) are required for each VOCA-funded project and must be derived from non-federal sources, except as provided in the <u>OJP Financial Guide</u> , effective edition (Part III. Post Award Requirements, Chapter 3. Matching or Cost Sharing). All funds designated as match are restricted to the same uses as the VOCA victim assistance funds and must be expended within the grant period. Match must be provided on a project-by-project basis. Any deviation from this policy must be approved by OVC. For the purposes of this program, in-kind match may include donations of expendable equipment, office supplies, workshop or classroom materials, work space, or the monetary value of time contributed by professionals and technical personnel and other skilled and unskilled labor, if the services they provide are an integral and necessary part of a funded project. The value placed on donated services must be consistent with the rate of compensation paid for similar work in the subrecipient's organization. If the required skills are not found in the subrecipient's organization, the rate of compensation must be consistent with the labor market. In either case, fringe benefits may be included in the valuation. The value placed on loaned or donated equipment may not exceed its fair market value. The value of donated space may not exceed the fair rental value of comparable space as established by an independent appraisal of comparable space and	X			

Special Condition	VOCA 2015	VAWA 2015	SASP 2015	State VALE 2015
<p>facilities in privately owned buildings in the same locality.</p> <p>a. Record Keeping. VOCA recipients and their subrecipients must maintain records that clearly show the source, the amount, and the period during which the match was allocated. The basis for determining the value of personal services, materials, equipment, and space must be documented. Volunteer services must be documented, and to the extent feasible, supported by the same methods used by the subrecipient for its own paid employees. The state has primary responsibility for subrecipient compliance with the requirements. State grantees are encouraged not to require excessive amounts of match.</p> <p>b. Exceptions to the 20% match: OVC sets lower match requirements for:</p> <p>i. Native American Tribes/Organizations Located on Reservations. The match for new or existing VOCA subrecipients that are Native American tribes/organizations located on reservations is 5% (cash or in-kind) of the total VOCA project. For the purpose of this grant, a Native American tribe/organization is defined as any tribe, band, nation, or other organized group or community which is recognized as eligible for the special programs and services provided by the U.S. to Native Americans because of their status as Native Americans. A reservation is defined as a tract of land set aside for use of, and occupancy by, Native Americans.</p> <p>ii. The U.S. Virgin Islands, and all other territories and possessions of the U.S., except Puerto Rico, are not required to match VOCA funds. See 48 U.S.C. 1469a(d).</p> <p>iii. OVC may waive the match requirement if extraordinary need is documented by State VOCA administrators.</p>				
<p>5. VOLUNTEERS</p> <p>The Grantee Agency must use volunteers unless the state grantee determines there is a compelling reason to waive this requirement. A “compelling reason” may be a statutory or contractual provision concerning liability or confidentiality of counselor/victim information, which bars using volunteers for certain positions, or the inability to recruit and maintain volunteers after a sustained and aggressive effort.</p>	X			
<p>6. PROMOTE COMMUNITY EFFORTS TO AID CRIME VICTIMS</p> <p>Promote, within the community, coordinated public and private efforts to aid crime victims. Coordination may include, but is not limited to, serving on state, federal, local, or Native American task forces, commissions, working groups, coalitions, and/or multi-disciplinary teams. Coordination efforts also include developing written agreements that contribute to better and more comprehensive services to crime victims. Coordination efforts qualify an organization to receive VOCA victim assistance funds, but are not activities that can</p>	X			

Special Condition	VOCA 2015	VAWA 2015	SASP 2015	State VALE 2015
be supported with VOCA funds.				
7. HELP VICTIMS APPLY FOR COMPENSATION BENEFITS Such assistance may include identifying and notifying crime victims of the availability of compensation, assisting them with application forms and procedures, obtaining necessary documentation, and/or checking on claim status.	X			
8. COMPLY WITH FEDERAL RULES REGULATING GRANTS The Grantee Agency must comply with the applicable provisions of VOCA, the Program Guidelines, and the requirements of the <u>OJP Financial Guide</u> , effective edition, which includes maintaining appropriate programmatic and financial records that fully disclose the amount and disposition of VOCA funds received. This includes: financial documentation for disbursements; daily time and attendance records specifying time devoted to allowable VOCA victim services; client files; the portion of the project supplied by other sources of revenue; job descriptions; contracts for services; and other records which facilitate an effective audit.	X			
9. MAINTAIN CIVIL RIGHTS INFORMATION Maintain statutorily required civil rights statistics on victims served by race, national origin, sex, age, and disability, within the timetable established by the state grantee; and permit reasonable access to its books, documents, papers, and records to determine whether the subrecipient is complying with applicable civil rights laws. This requirement is waived when providing a service, such as telephone counseling, where soliciting the information may be inappropriate or offensive to the crime victim.	X			
10. COMPLY WITH STATE CRITERIA The Grantee Agency must abide by any additional eligibility or service criteria as established by the state grantee including submitting statistical and programmatic information on the use and impact of VOCA funds, as requested by the State grantee.	X			
11. SERVICES TO VICTIMS OF FEDERAL CRIMES The Grantee Agency must provide services to victims of federal crimes on the same basis as victims of state/local crimes	X			
12. NO CHARGE TO VICTIMS FOR VOCA-FUNDED SERVICES The Grantee Agency must provide services to crime victims, at no charge, through the VOCA-funded project. Any deviation from this provision requires prior approval by the state grantee. Prior to authorizing subrecipients to generate income, OVC strongly encourages administrators to carefully weigh the following considerations regarding federal funds generating income for subrecipient organizations. The purpose of the VOCA victim assistance grant program is to provide services to all crime victims regardless of their ability to pay for services rendered or availability of insurance or other third-party payment resources.	X			

Special Condition	VOCA 2015	VAWA 2015	SASP 2015	State VALE 2015
<p>Crime victims suffer tremendous emotional, physical, and financial losses. It was never the intent of VOCA to exacerbate the impact of the crime by asking the victim to pay for services.</p> <p>State grantees must ensure that they and their subrecipients have the capability to track program income in accordance with federal financial accounting requirements. All VOCA-funded program and match income, no matter how large or small, is restricted to the same uses as the VOCA grant.</p> <p>Program income can be problematic because of the required tracking systems needed to monitor VOCA-funded income and ensure that it is used only to make additional services available to crime victims. For example: VOCA often funds only a portion of a counselor’s time. Accounting for VOCA program income generated by this counselor is complicated, involving careful record keeping by the counselor, the subrecipient (Grantee Agency) program, and the state.</p>				
<p>13. CLIENT – COUNSELOR CONFIDENTIALITY</p> <p>Maintain confidentiality of client-counselor information, as required by state and federal law.</p>	X			
<p>14. CONFIDENTIALITY OF RESEARCH INFORMATION</p> <p>Except as otherwise provided by federal law, no recipient of monies under VOCA shall use or reveal any research or statistical information furnished under this program by any person and identifiable to any specific private person for any purpose other than the purpose for which such information was obtained in accordance with VOCA. Such information, and any copy of such information, shall be immune from legal process and shall not, without the consent of the person furnishing such information, be admitted as evidence or used for any purpose in any action, suit, or other judicial, legislative, or administrative proceeding. See Section 1407(d) of VOCA codified at 42 U.S.C. 10604.</p> <p>These provisions are intended, among other things, to ensure the confidentiality of information provided by crime victims to counselors working for victim services programs receiving VOCA funds. Whatever the scope of application given this provision, it is clear that there is nothing in VOCA or its legislative history to indicate that Congress intended to override or repeal, in effect, a state’s existing law governing the disclosure of information which is supportive of VOCA’s fundamental goal of helping crime victims. For example, this provision would not act to override or repeal, in effect, a state’s existing law pertaining to the mandatory reporting of suspected child abuse. (See <u>Pennhurst School and Hospital v. Halderman</u>, et al., 451 U.S. 1 (1981).) Furthermore, this confidentiality provision should not be interpreted to thwart the legitimate informational needs of public agencies. For example, this provision does not prohibit a domestic violence shelter from acknowledging, in response to an inquiry by a law enforcement agency conducting a missing person investigation, that the person is safe in the shelter. Similarly, this provision does not</p>	X

prohibit access to a victim service project by a federal or state agency seeking to determine whether federal and state funds are being utilized in accordance with funding agreements.

Furthermore, the grantee agency understands and agrees that misuse of award funds may result in a range of penalties, including suspension of current and future funds, suspension or debarment from federal grants, recoupment of monies provided under an award, and civil and/or criminal penalties.			X	
11. The Grantee Agency agrees to submit one copy of all reports and any written materials funded by this agreement not less than twenty (20) days prior to public release, publication, or distribution of to the state and OVW for review.
