Technical Assistance

Colorado School Safety Resource Center

Established through legislation in 2008 (CRS 24-33.5-1801, et seq.)

The mission of the Colorado School Safety Resource Center is to assist educators, emergency responders, community organizations, school mental health professionals, parents, and students to create safe, positive and successful school environments for all Colorado students in pre K-12 and higher education schools.

The CSSRC provides resources and training using the U.S. Department of Education's five preparedness missions: prevention, mitigation, protection, response and recovery.

The Center provides no-cost consultation, resources, training and technical assistance to foster safe and secure learning environments, positive school climates and early intervention to prevent crisis

RESOURCES

Our website and knowledgeable staff provide the most current resources and training information for school personnel, emergency responders, community partners and parents and students on all topics related to school safety.

www.Colorado.gov/CSSRC

TRAINING
