Colorado Positive Behavioral Interventions and Supports (PBIS)

- <http://www.cde.state.co.us/pbis/>
- The Colorado Department of Education (CDE) supports the use of PBIS for Colorado Schools. The mission of the Colorado Positive Behavioral Interventions and Supports Initiative is to establish and maintain effective school environments that maximize academic achievement and behavioral competence of all learners in Colorado.

National Positive Behavioral Interventions and Supports (PBIS)

- <http://www.pbis.org/>
- The Technical Assistance Center on Positive Behavioral Interventions and Supports has been established by the Office of Special Education Programs, US Department of Education, to give schools capacity-building information and technical assistance for identifying, adapting, and sustaining effective school-wide disciplinary practices.

National School Climate Center (formerly The Center for Social and Emotional Education, CSEE)

- <http://www.schoolclimate.org/index.php>
- NSCC's goal is to work with the entire academic community to promote positive and sustained school climate: a safe, supportive environment that nurtures social and emotional, ethical, and academic skills. This organization helps schools integrate crucial social and emotional learning with academic instruction. In doing so, they enhance student performance, prevent drop outs, reduce physical

Safe Communities Safe Schools (SCSS)

- <https://www.colorado.edu/cspv/safeschools/>
- Safe Communities Safe Schools (SCSS) is a project through the University of Colorado Boulder's Center for the Study and Prevention of Violence. The goal of SCSS is to work with schools to build comprehensive systems for safety and violence prevention and enhance positive school climate. The SCSS project team works in close alignment with what schools are already doing to streamline strategies

that ensure schools are attuned and responsive to the needs of students and staff, violence, bullying, and develop healthy and positively engaged adults.

Safe and Supportive Schools Technical Assistance Center

- <http://safesupportivelearning.ed.gov>
- The Safe and Supportive Schools Technical Assistance Center (Center) is funded by the U.S. Department of Education's Office of Safe and Healthy Students and the U.S. Department of Health and Human Services Substance Abuse and Mental Health Services Administration (SAMHSA) to help address such issues as: bullying, harassment, violence, and substance abuse.
