**E-UPDATE FROM CSSRC** ~ You are receiving this email as a subscriber of the Colorado School Safety Resource Center's (CSSRC) listserv. E-Updates from the CSSRC will contain the most current information about the Center's activities and resources, as well as other school safety efforts throughout the state of Colorado and relevant national resources. **Please forward this to others on your email list that have an interest in supporting safe and positive schools in Colorado. They may register for this listserv on our website [www.Colorado.gov/SchoolSafetyResourceCenter](http://www.Colorado.gov/SchoolSafetyResourceCenter) or [www.Colorado.gov/CSSRC](http://www.Colorado.gov/CSSRC).**

## **THE DIRECTOR'S CORNER**

**Greetings:** As we move into **Mental Health Awareness** this month, I'd like to be sure you have two important resources:

- ★ Let's Talk Colorado (<http://letstalkco.org/>) was designed to fight the stigma of mental illness and connect folks to the Colorado Crisis Services. Check out their website and be sure to share it!
- ★ Whether we like it or not, students are watching the Netflix series, **13 Reasons Why**, often without adult input. In this 13 part series, Hannah Baker recounts her experiences prior to dying by suicide. Her suicide is witnessed along with numerous sexual assaults and instances of slut shaming, bullying and harassment. The National Association of School Psychologists ([NASP](http://www.nasps.org)) has created a [talking guide](#) for educators, parents and students. We have also posted a letter with information for parents from a principal in California. You can link to that [here](#). We urge you to utilize this resource.

**Please make note of the CSSRC trainings listed below and register as soon as possible!**

Kindest regards,

*Chris Harms*

## CURRENT GRANT OPPORTUNITIES

### NEW Sources of Strength RSVP<sup>2</sup>

- This is a grant sponsored by the [Centers for Disease Control and Prevention](#) and [Colorado Department of Public Health and Environment](#) for [Sources of Strength](#).
- Applications are available here and due by **May 13, 2017**.
- This grant is open to High Schools.
- All schools participating in the study will receive the following:
  - Individualized training from Sources of Strength staff on program implementation for Adult Advisors in mentoring Peer Leaders and Peer Leader training in leveraging their social networks to create positive school climate changes.
  - Technical assistance from Sources of Strength to implement the full program throughout the project and assistance in planning for program sustainability.
  - Specific feedback on how you are meeting your prevention and school improvement goals related to the Peer Leader program, including connectedness and student bonding with school staff.
  - Participation in a large-scale research project may assist schools in sustaining their prevention efforts when pursuing grants or other funding opportunities.
  - Summarized school data reports demonstrating impact of the research project on outcomes such as: sexual harassment and violence, bullying, depression symptoms, and suicidal ideations.
  - Each school will receive a summary of key indicators, including student social connectedness, school

engagement, suicide risk, bullying and sexual harassment. This data can be used to help inform the school's prevention focus through Sources of Strength.

- An advantage to being assigned to the waiting condition is having additional time to use the research assessments to plan prevention priorities.
- All schools will begin participating in evaluation in the fall semester of 2017.
- You can obtain more information including the application and survey [here](#).

### **NEW Information School Health Professional Grant**

- Applications are now available [here](#). **Applications are due by May 17, 2017.**
