E-UPDATE FROM CSSRC ~ You are receiving this email as a subscriber of the Colorado School Safety Resource Center's (CSSRC) listserv. E-Updates from the CSSRC will contain the most current information about the Center's activities and resources, as well as other school safety efforts throughout the state of Colorado and relevant national resources. **Please forward this to others on your email list who have an interest in supporting safe and positive schools in Colorado. They may register for this listserv on our website www.Colorado.gov/CSSRC.**

THE DIRECTOR'S CORNER

Dear Colleagues: This month's Director's Corner is **dedicated to preparedness**.

School Emergency Communication - Opportunity to Register

- You will all remember the situation last April when the young woman, obsessed with the Columbine tragedy, made her way to Colorado. Schools across the state closed as a result but communications did not go smoothly.
- It has taken time but the state has created a website at the Colorado Information Analysis Center (CIAC) that will provide emergency information to many agencies including schools, when appropriate. **This is your opportunity to opt into this notification system.**
- [Linked here is a three-page explanation of the new system and how schools can register.](#)
- We will also be sending a copy of the instructions for registering to all schools for which we have contact information. We apologize if you receive this more than once, but we want to err on the side of caution.
- We are suggesting that more than one person on your school safety team register so that there is redundancy in your receipt of messages.
- If you have any problems registering, please contact info@ciacco.org

Pandemic Disease Preparation

- Fortunately, there have been no confirmed cases of the Coronavirus (2019-nCoV) in Colorado, but this would be a good time to brush up on your health procedures.
- Prevention: (from the Center for Disease Control <https://www.cdc.gov/>)
- "There is currently no vaccine to prevent 2019-nCoV infection. The best way to prevent infection is to avoid being exposed to this virus. However, as a reminder, CDC always recommends everyday preventive actions to help prevent the spread of respiratory viruses, including:
 - Wash your hands often with soap and water for at least 20 seconds. Use an alcohol-based hand sanitizer that contains at least 60% alcohol if soap and water are not available.
 - Avoid touching your eyes, nose, and mouth with unwashed hands.
 - Avoid close contact with people who are sick.
 - Stay home when you are sick.
 - Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
 - Clean and disinfect frequently touched objects and surfaces.
- These are everyday habits that can help prevent the spread of several viruses. CDC does have [specific guidance for travelers.](#)"
- Our Resource Specialist, Isaac Baah, has pulled together resources from the Center for Disease Control and the REMS Technical Assistance Center.
- You can access those resources [here](#).

Please make special note of the "Current Grant Opportunities" section later in this newsletter as there are a number of grants (including the COPS grant for SROs) that might be of interest.

Kindest regards,

Chris Harms

COLORADO SCHOOL SAFETY RESOURCE CENTER TRAINING

Student/Staff Safety Symposia: Registration is Open

- **2020 Western Slope Student/Staff Summit, Montrose:** The Pavilion
Agenda coming soon! Register [here](#).
- **When: Wednesday, April 15th from 9:30 AM until 2:30 PM**
- **What:** This will be an opportunity for middle and high school students to hear a keynote address and then participate in breakout groups on topics of interest on school safety. It is a chance for students and adults to learn from one another and perhaps be motivated to work on a safety issue back in their buildings.
- **Who:** We ask the districts to have adults who will bring teams of 6 students (middle or high school) to sign up. **(If you have more teams at one school, check with Isaac and we should be able to accommodate them.)** Students do not need to register as long as they are part of a registered adult's team of six.

2020 Western Slope Safety Staff Summit, Montrose Registration is Open

- This is our second effort at partnering with Montrose School Districts to host this event.
- **When: Thursday, April 16, 2020**

- **Where:** Lowry Conference Center, 1061 Akron Way, Denver, CO 80230
- **Presenter:** Dr. Terri Erbacher, Co-author of *Suicide in Schools: A Practitioner's Guide*
- **What:** Dr. Erbacher will walk through the process for supporting a suicidal student from screening to re-entry meetings. **You won't want to miss this!**
- You can register [here](#).

Addressing and Preventing Adult Sexual Misconduct (ASM) Train-the-Educator (TTE) Registration is Open

- The Center has partnered with the [Colorado School Districts Self Insurance Pool \(CSDSIP\)](#) to bring this **FREE** comprehensive training to enable schools and districts to create policies and procedures within their Emergency Operations Plans to prevent and address ASM. The training, using the most recent research and trends in ASM, will help participants:
 - develop a greater understanding of ASM in schools;
 - understand ASM's complexities
 - know how to develop more comprehensive policies and procedures for preventing and addressing ASM; and
 - better protect students.
- School district and school administrators, human resource directors, legal counsel representatives, educators, support staff, and members of EOP teams are the intended audience. This opportunity is offered and facilitated by the Readiness and Emergency Management for Schools (REMS) Technical Assistance Center, through the U.S. Department of Education's Office of Safe and Supportive Schools.
- Register [here](#).
- **When: Thursday, May 7, 2020**
- **Where: Colorado School District Self Insurance Pool Offices: 6857 South Spruce Street, Centennial, CO 80112**
- **For more information the flyer is linked [here](#).**

Institutions of Higher Education (IHE) Summer Safety Symposium:
