24-33.5-1803. School safety resource center - created - duties (Effective until September 7, 2021)

(1) There is hereby created within the department the school safety resource center to assist schools in preventing, preparing for, responding to, and recovering from emergencies and crisis situations and to foster positive learning environments. The director of the center shall be appointed by the executive director pursuant to section 13 of article XII of the state constitution.

(2) The center and the director shall exercise their powers and perform their duties and functions under the department and the executive director as if the same were transferred to the department by **atype 2**transfer, as such transfer is defined in the "Administrative Organization Act of 1968", article 1 of this title.

(3) The center has the following duties:

(a) To assist schools in developing and implementing safety and preparedness plans, including but not limited to any such plans that are required by state law or applicable rules of accreditation;

(b) To assist schools in establishing practices and strategies for use in responding to an emergency or crisis situation;

(c) To assist schools in developing and establishing prevention and intervention efforts to ensure safe and secure learning environments;

(d) To conduct regular research and assessment projects to determine the efficacy of statewide and local policies and programming;

(e) To make information and other resources available to all schools and school officials;

(f)

(I) To select at least one but not more than five school districts or regions, with the consent of the affected school district boards of education, to serve as pilot sites during the first year of the center's operation. The center shall evaluate and develop enhanced school safety services to be provided by the center to the pilot sites.

(II) In selecting the school districts or regions that shall serve as pilot sites pursuant to subparagraph (I) of this paragraph (f), the center shall designate at least one but not more than three schools within each of the pilot sites to participate in a cooperative effort by all such designated schools within the pilot sites to create a first responder school mapping system to provide first responders immediate electronic or digital access to maps of, and other schematic information about, school buildings at such designated schools in the event of an emergency at the designated schools. In creating the first responder school mapping system, the pilot sites may contract with one or more public or private entities with experience in creating first responder school mapping systems. Before entering into any such contract or otherwise proceeding with plans for the creation of the first responder school mapping system, the pilot sites shall submit the contract or plans to the center to approve or disapprove. The department shall reimburse the pilot sites for the direct and indirect costs of creating the first responder school mapping system pursuant to this subparagraph (II).

(III) The general assembly hereby finds and declares that, for purposes of section 17 of article IX of the state constitution, the development and creation of a first responder school mapping system, pursuant to subparagraph (II) of this paragraph (f), is an important element of improving student safety and may therefore receive funding from the state education fund created in section 17 (4) of article IX of the state constitution.

(g) To provide information and resources relating to school safety, school emergency response planning and training, and interoperable communications in schools, as determined by the center, to the division of fire prevention and control in the department of public safety to be distributed to school districts and schools pursuant to section 24-33.5-1213.4;

(h)

(I) To consult with school districts, schools, and charter schools concerning evidence-based best practices for bullying prevention and education;

(II) To consult with the department of education concerning its administration of the school bullying prevention and education grant program created in section 22-93-102, C.R.S.; and

(III) To submit evidence-based best practices for bullying prevention and education to the department of education for the purposes of section 22-93-106, C.R.S.

(i) Repealed.

(j) To provide information and resources relating to the development and maintenance of school resource officer programs as determined by the center to the division of fire

school resource officer programs, as determined by the center, to the division of the prevention and control in the department of public safety for distribution to school districts and schools pursuant to section 24-33.5-1213.4 and to law enforcement agencies and other community partners, as described in section 22-32-109.1, C.R.S.;

(k) To provide suggestions for school resource officer training to the peace officers standards and training board, pursuant to section 24-31-312;

(l) To provide materials and training as described in section 24-33.5-1809 to personnel in school districts and charter schools, parents, and students regarding the awareness and prevention of child sexual abuse and assault, including human trafficking;

(m) By June 1, 2018, to make available a model program that conforms with section 22-1-128, regarding the risks and consequences of sexting for school districts to use, which curriculum must include information informing students of the provisions of section 18-7-109, including that, if a student receives a sexually explicit image in violation of section 18-7-109, the student can avoid adjudication as a juvenile delinquent by taking reasonable steps to either destroy or delete or report the initial viewing of the image within seventy-two hours after receiving the image; and

(n)

(I) To act as a resource for school districts, public schools, charter schools, and institute charter schools concerning crisis and suicide prevention training; and

(II) To work collaboratively with the office of suicide prevention in the department of public health and environment concerning the crisis and suicide prevention training grant program created in section 25-1.5-113.

(4) Subject to the provisions of section 13 of article XII of the state constitution, the director shall appoint employees necessary to conduct an efficient center.
