**FEMA's Mission Statement**

"FEMA's mission is to support our citizens and first responders to ensure that as a nation we work together to build, sustain and improve our capability to prepare for, protect against, respond to, recover from and mitigate all hazards."

**FEMA Region VIII Law Enforcement Liaison Mission**

To build relationships and capacity between FEMA Region VIII and local, state, federal, tribal and private sector law enforcement entities that support, enhance and promote law enforcement-centric emergency management. Our goal is to build trust, respect and unity with our alliance.

**FEMA Law Enforcement Liaison Support**

FEMA Region VIII has made it a priority to develop and enhance partnerships with law enforcement entities by building a network of professionals that can support one another through technical assistance and subject matter expertise. In FEMA's efforts to promote collaboration between law enforcement and emergency management, our law enforcement liaison is available to assist law enforcement communities through:

- Law Enforcement Collaboration and Information Sharing
- Law Enforcement/Emergency Management Working Group
- Disaster Preparedness Outreach
- Catastrophic Disaster Planning
- Criminal Intelligence Information Sharing
- Exercise Development and Evaluation Assistance
- All-Hazard Law Enforcement/Emergency Management Training
- Lessons Learned and Improvement Planning
- Crisis/Consequence Management
- Critical Infrastructure and Key Resource Assessment
- Law Enforcement Disaster Capability Assessment
- All-Hazard Law Enforcement/Emergency Management Coordination
- Law Enforcement/Emergency Management Technical Assistance
- FEMA Public Assistance Law Enforcement Support
- FEMA Emergency Management Institute Training Courses
- United States Department of Homeland Security Training Consortium
