

The Colorado Division of Homeland Security and Emergency Management announces the award of more than \$29 million in grant funding to 95 Colorado education providers under the School Security Disbursement (SSD) grant program.

The SSD grant program was enacted by SB18-269 providing funding to improve security in public school facilities and vehicles and to support training for school personnel. Three hundred and five projects were submitted and ninety-five local education providers were selected to receive funding. Thank you to all of those who applied for the SSD Grant Program.

The following local education providers were selected to receive SSD funds:
