

FILL YOUR WORLD WITH GOOD **STICKER CONTEST**

Design a sticker showing us how you *FILL YOUR WORLD WITH GOOD* and you could win \$1,000 AND have your winning sticker used in our next campaign!

HOW TO PARTICIPATE:

- There are 2 prize categories: **Traditional Art** (drawing or painting using conventional art supplies) and **Digital Art** (using graphic design software). AI generated images are not allowed.
- There will be a total of 4 contest winners, with each category having one middle school and one high school student receiving a \$500 prize. Additionally, we will host a public vote among the 4 winners to determine a People's Choice award, and that individual will receive an additional \$500 and have their art become the face of Rise Above Colorado outreach in 2025.
- Winners will be selected by Rise Above's Teen Action Council and a pool of celebrated artists from Colorado. These judges will be looking for originality, positivity, use of color, and the overall quality of the design. **Above all, we're looking for an engaging concept: What inspires you? What helps you feel connected? How do you fill your world with good?** The answers to one or more of these questions can help you create a prize-winning sticker.
- Individuals may only submit *one* online entry per day and sticker designs must be wholly your own concept- but don't hesitate to reach out to your art teachers, local mentors, or others that can potentially help with ideas and guidance.
- The deadline for submissions is Monday, December 9th. Winners will be announced on Rise Above Colorado's Instagram profile (@riseaboveco) on Thursday, January 9th. Make sure you follow us for regular updates!
