

## **Perklen Center for Psychotherapy – Therapist**

Salary	Negotiable based on experience
Location	Greeley, CO (currently working remote)
Job Types	Full-Time (32-40 hours/week) Part-Time (15-30 hours/week) Contract Work
	Monday – Thursday, 10 am-8 pm

### **Agency Description**

The Perklen Center is a full-service mental health agency, providing general mental health counseling to individuals, groups, couples, and families. We work with a wide variety of populations, including the LGBTQ+ community, victims of trauma, sexual, physical and emotional abuse, Veterans, and teens. We support and help a wide range of emotional and behavioral issues, including depression, anxiety, life transitions, grief and loss, anger management, victim services, and more. In a comfortable and supportive atmosphere, we offer a highly personalized approach tailored to each of our clients' individual needs to help attain the personal growth they are striving for.

In addition to general mental health, Perklen has a specialty of sex offense-specific services including treatment, psychosexual evaluation, sexual interest assessment, child contact assessment, risk assessment, and training/consultation. Those services provided are fully compliant with the Colorado Sex Offender Management Board (SOMB) Standards and Guidelines. Evaluation and treatment services are provided to both male and female adolescent and adult offenders, as well as individuals with a developmental/intellectual disability.

### **Job Description**

We are currently accepting applications for a Mental Health Therapist, licensed or unlicensed. This position provides quality mental health services for individuals seeking therapy in the above-listed areas. Theoretical orientation is based on individual therapist preference; however, an understanding of CBT is preferred and encouraged. Duties of a therapist include but are not limited to, providing mental health therapy to individuals and groups, full mental health evaluations (including mental health sex offense-specific evaluations), oversight of psychological testing, and working in a team-based atmosphere with other Perklen clinicians. Benefits include individual and group supervision with on-site LPC, flexible scheduling, medical/dental, retirement, and vacation benefits for full-time non-contract employees.

### **Qualifications**

- Master's Degree in the field of Clinical Mental Health, Counseling, Psychology or Social Work
- Registration in the state of Colorado with the Department of Regulatory Agencies to be able to provide mental health services (Unlicensed Psychotherapist, Licensed

Professional Counselor Candidate, Licensed Professional Counselor, Licensed Clinical Social Worker, etc)

**Preferred, but Not Required, Qualifications:**

- Licensed in Colorado (LPC or LCSW)
- Familiarity with SOMB
- Understanding of CBT
- Ability to work both independently and in a group environment.

**Conditions of Employment:**

- Evening hours are required, typically involving shifts ending at 8 p.m.
- Must comply with the Health Insurance Portability and Accountability Act (HIPAA) regulations for client confidentiality.
- Perklen is currently working remotely, due to the Covid-19 Pandemic. Stable Internet and reliable phone access are a must.
