ABOUT THE MASTER CLASSES

Dear ATSA Members,

The **ATSA Master Classes** are premiere online trainings designed to help professionals involved in the assessment, treatment, and monitoring of individuals who have sexually abused achieve a high level of professional excellence. These **comprehensive courses delivered by leading experts** facilitate the implementation of evidence-based best practices to enhance community safety, reduce sexual recidivism, protect victims and vulnerable populations, transform the lives of those caught in the web of sexual violence, and illuminate paths to prevent sexual abuse.

Each ATSA Master Class is eligible for **Continuing Education Hours from over 150 professional organizations** and have been specifically designed to cover content areas in which **competency is required by state regulation boards to become a certified sexual offender service provider**.

ATSA Members receive 20% off all courses using the code: **ATSAMEMBER**

Sincerely,

Maia Christopher
